TEN PAGES—FIVE CENTS

ECA Loan Plan Is Underway

Great Britain Recipient Of 310 Million

Washington, Oct. 26—(AP)—The delayed Marshall plan lending program rolled forth today with a \$310,000,000 loan to Britain and ECA disclosure that more than \$500,000,000 recovery credits for nine other nations are slated within a fortnight.

An economic cooperation administration official said that a \$60,000,000 credit for Ireland is "imminent." Major loans of \$170,000,000 for France and \$80,000,000 for Holland, plus \$15,000,000 for The Netherlands East Indies will be signed shortly, he said. The sums are approximate.

The British loan, to be repaid over 35 years starting in 1956, is this country's first credit to England since a \$3,750,000,000 British loan in 1946. The hard-pressed Britons exchanged it in little more than a year.

Today's announcement, made jointly by ECA and the Export-Import Bank of Washington, marked the much-delayed start of ECA's lending program. Congress specified that about \$1,000,000,000 of the \$5,055,000,000 Marshall plan funds for the first year must be restricted to loans rather than outright gifts.

The loan agreement contains an escape clause if Britain finds herself too short of dollars to make repayment on schedule. If "adverse economic conditions" prevail, payment of interest or principal or both may be postponed upon agreement between this country and England.

The interest rate, 2 1/2 per cent, probably will govern the other loans granted, the ECA official reported. A minor credit to Iceland already granted, \$2,300,000 at 3 per cent for fishery development, likely will be revised to conform.

To Pay Semi-Annually
Payments on the principal will be made by Britain semi-annually, starting in 1956. Interest payments will start in 1952.

The United Kingdom, the announcement said, will use the loan primarily for industrial machinery, equipment and raw materials. Britain issued promissory note to the Export-Import Bank for \$310,000,000, while ECA allotted the same amount to the bank. The bank, which administers ECA's lending affairs, will pay out the money as Britain calls for it.

The other loans pending, in approximate amounts, include Belgium—\$50,000,000; Denmark—\$25,000,000; Italy—\$50,000,000; Norway—\$35,000,000; Sweden—\$10,000,000 and Turkey—\$30,000,000.

Two of the Russian satellite countries, Poland and Hungary, were named today as suppliers of Marshall plan shipments to be furnished under ECA's grants.

Youth Spends Thirty Days In Bar Room Attic

San Francisco, Oct. 26—(AP)—Police today closed the run of the epic "Thirty Days and Nights in a Bar Room."

It ended in another booking, however—the booking of Patrick J. Fleming, 23, recently from Elkins, W. Va., on a charge of petty theft. Petrolman John Nyland said that for the past month Fleming had been living, undetected, in an attic of the Bond Bar on lower Market street.

Aud proprietor Tom Sullivan declared that only now were events of the past month shaping into perspective.

Patrolman Nyland said Sullivan told him the juke box had been jimmied open six times. Hardboiled eggs and sandwiches disappeared. Bottles of choice liquor vanished.

The football pool funds were rifled. Loose change from cigar sales couldn't be found.

Today a customer visited the gent's washroom. It appeared incredible, but good bourbon whiskey was leaking from the ceiling. He called Sullivan who called police. They hollered "whoever's up there come down." A trapdoor moved, Nyland said Fleming dropped down and said he was sorry he had knocked over a bottle upstairs.

The officer said Fleming made a point of climbing to the attic a few moments before the bar closed. Then he enjoyed the hospitality of the place, slept until mid-day, dropped down for a shave and a stroll, and returned at night.

SHUCKS CORN, OVERALLS

Bloomington, Ill., Oct. 26—(AP)—C. Mays, Bloomington, had to stop shucking corn to shuck off his burning overalls.

A hot exhaust pipe on his tractor ignited a dried corn leaf and the fire spread to the carburetor and Mays' overalls. Mays was not hurt.

Finds Son In Army Camp After Two Year Search

Camp Breckinridge, Ky., Oct. 26—(AP)—Henry Edelson of Seattle found his missing 18-year-old son, Danny, in an army camp here today after a weary, 2½ year nationwide search.

A heart-warming reunion took place when "Darrell Dane," a brown-haired, brown-eyed military policeman threw his arms around his father's shoulders and wept.

"Darrell Dane" was Danny, who had left home in Seattle March 9, 1946. He enlisted in the army in Chicago and served 14 months in Korea.

Today's reunion was the result of eight days of intensive police work by members of the Chicago Tribune staff and 5th Army authorities. It ended a six-time crossing of the United States by the senior Edelson, who said he spent more than \$4,000 in searching for his boy.

Since Danny left the home of his grocer-father, the family placed advertisements in national magazines and deluged police and sheriff's offices with more than 4,000 circulars.

After detective agencies, special tracing organizations and other agencies had failed, Edelson flew to Chicago and enlisted the Tribune in the hunt. The father had been tipped that Danny had been seen in Chicago last summer in an army uniform by former high school classmates.

French Miners Fire On Soldiers In Strike Violence

Paris, Oct. 26—(AP)—Coal miners opened fire with machine guns and potato-masher grenades on soldiers today, the government announced. The troops took up the game of battle with tanks and firearms.

A miner was killed, and eight other persons, including a woman and four soldiers, were badly wounded in the brief, bloody battle. Officials arrested 400 persons accused of bearing arms.

The fight took place when troops moved to occupy four mines near Ales, an industrial city of 40,000 about 50 miles northwest of Marseille, and encountered a strikers' roadblock on the banks of the Garon river.

Reports from the scene said at least one tank fired a 25 millimeter shell in a dawn downpour of rain to destroy the miners' barricade erected before the pit. Later, tanks were used to shoo away strikers who had surrounded public buildings in Ales.

Several of the troops' casualties were reported by the government to have been caused by the explosion of several mines as the soldiers approached the pitheads.

Negro Guilty Of Manslaughter

Rock Island, Ill., Oct. 26—(AP)—Sam Holt, 29, Chicago negro, today was sentenced to a prison term of two to seven years after he pleaded guilty to a charge of manslaughter.

Holt previously had pleaded innocent to a murder charge. He was tried before Judge Leonard E. Telleen in Rock Island circuit court in connection with the jail slaying of Herbert Parker, 50, Rock Island, last Sept. 10.

Testimony developed that Parker and the negro had struck at each other after arguing over use of a comb and Parker's head hit on the concrete floor.

Dewey Says Demos Reach New Low In 'Mud-Slinging'

Chicago, Oct. 26—(AP)—Gov. Thomas E. Dewey tonight charged the Truman administration with having "reached a new low of mud-slinging." He said the country "desperately" needs new and better leadership.

In a major campaign address prepared for delivery in Chicago Stadium at 9 p.m. Central Standard Time, the Republican presidential nominee lit into President Truman's regime. He accused it of "trying appeasement one day and bluster the next" in foreign policy. Failing "even more miserably at home."

Spreading "fantastic fears among our people," "Openly sneering at the ancient American ideal of a free and united people," "Promoting 'antagonism and prejudice' and of scattering 'reckless' abuse along the entire right of way from coast to coast."

Then the New York governor declared: "They have now, I am sorry to say, reached a new low of mud-slinging."

He added: "The time has come to rebuke those who preach the doctrine of fear."

Dewey followed Mr. Truman to Chicago by only 24 hours in this final week of the presidential campaign.

U.S. To Draft Defense Pact

JURY DISMISSES MEN CHARGED WITH THEFT OF \$6,000 IN STAMPS

Chicago, Oct. 26—(AP)—Charges against four men in connection with the theft of \$6,000 worth of valuable stamps were dismissed in felony court today.

The stamps were taken Sunday from Natale Rantuccio, 54, Philadelphia, at a display of the Chicago Philatelic society in the Sherman hotel. He got them back the same day.

Judge Charles S. Dougherty rules there was insufficient evidence against the four men. Marvin Lustgarten, 26, and Leon Zimmerman, 43, had been charged with grand larceny. Fred Romano, 28, and Michael Tisci, 50, had been charged with being accessories after the fact to grand larceny.

No Animal Shelter No Gambling—Says Moline Woman

Moline, Ill., Oct. 26—(AP)—"No animal shelter—no gambling."

That is the choice a 26-year-old woman said today she is offering this Northwestern Illinois industrial city of 35,000 population.

In a five-day, one-woman campaign, Miss Marie Vanmeulebroek, 26, has obtained nine warrants against eight tavern operators, accusing them of possessing illegal gambling equipment.

"As long as the city won't provide an animal shelter, there won't be any gambling either," she said in an interview. She added:

"The aldermen of Moline have declared they will do something about gambling. So far they haven't, so I am."

She said she planned to attend a meeting of the Moline City council tonight to demand municipal construction of an animal shelter.

"I intend to keep at this thing until I get something done," she added.

CIO Electrical Union Sues Atomic Commission

Washington, Oct. 26—(AP)—The CIO Electrical Workers union today sued the Atomic Energy Commission and the General Electric Company for \$1,000,000 damages.

The action filed in U. S. District court here is based upon the refusal of Chairman David E. Lilienthal of the commission to recognize the union's contract in a General Electric laboratory at Schenectady, N.Y.

Lilienthal has ruled the union will not be recognized at the new Knolls (Schenectady) plant and will be ousted from other plants unless the union's officials take the Taft-Hartley oath that they are not members of, or affiliated with, the Communist party.

The suit, in addition to seeking money damages, asks a court order barring the commission and the company from destroying its contract as the exclusive collective bargaining agency for workers in General Electric plants. General Electric has a commission contract to operate the Knolls plant.

The suit was filed by President Albert J. Fitzgerald of the CIO United Electrical, Radio and Machine Workers of America, and Leo Jandrea, president of the union's district three in which Schenectady is located.

It named as defendants Chairman Lilienthal, the Atomic Energy Commission itself, all of its members, and the General Electric company.

Ex-Springfield Residents Jailed After Brawl

Milwaukee, Oct. 26—(AP)—A tavern argument cost Jack Cochran, 25, and his wife, Mary, 21, former Springfield, Ill., residents, 30 days each in the house of correction.

Cochran was sentenced today by Civil Judge Tad E. Wedemeyer for pointing and aiming a gun. Mrs. Cochran drew a similar term for disorderly conduct.

Cochran said he was wanted in Springfield on a \$1,000 theft charge. The couple pleaded guilty to firing a shot from a .38 caliber pistol during a tavern argument.

The bullet pierced a window of a nearby barbershop. No one was injured.

Detective Edwin Saffer said Cochran, a bartender, disappeared from Springfield with his wife, a waitress, the day after \$1,000 was found missing from a refrigerator where a tavern owner had hidden it.

Saffer said Cochran told him he would not fight extradition to Illinois.

Will Chart Plan After Election

Paris, Oct. 26—(AP)—The five foreign ministers of the Brussels alliance announced tonight they are asking the United States for a North Atlantic defense pact.

A communique at the end of a two-day session said the foreign ministers of Britain, France, Belgium, The Netherlands and Luxembourg agreed to instruct their ambassadors in Washington to take up this project with the American state and defense departments in the near future.

High American officials in Paris said Saturday the United States and Canada will begin drafting such a pact soon after the United States presidential election. It would be the United States' first such peace-time defense pact in history.

British objection developed to another project to establish a western European consultative parliament soon.

British Foreign Secretary Ernest Bevin consented, however, to take up this question for further study. This will be the first time proposals for European federation have been entertained formally on a governmental level.

The conference agreed to set up a committee of representatives from the five nations to study the promotion of greater European unity. The committee is to report back to the ministers at their next session in January.

Defer Parnell Investigation Pending Election

Washington, Oct. 26—(AP)—A federal grand jury decided today to defer questioning Rep. J. Parnell Thomas (R-N.J.) until after the election. It is investigating alleged irregularities in the handling of Thomas' office payroll.

Thomas, chairman of the House Un-American Activities committee, which has been at odds with Attorney General Clark over the committee's inquiry into alleged communist espionage, has called the Justice Department's action in putting the matter before the grand jury "a new low in politics."

Thomas announced that he desired the opportunity to appear personally before the grand jury to answer the charges.

He said, however, that in order "to keep the matter free of politics" he believed November 4—14 days after the general election in which he is a candidate to retain his House seat—would be the most appropriate time for him to be heard.

The grand jury's decision to hear him after the election was made known by District Attorney George Morris Fay.

Police Probe Story Of Ex-Con In Shelton Murder

Peoria, Ill., Oct. 26—(AP)—A Peoria policeman left for Texas today to investigate the story of a former convict who told authorities he killed Bernie Shelton, Peoria gangster.

Police here said the man, held at Greenville, Tex., had been identified by Texas authorities as Lowell E. McCurdy, 23, of Commerce, Tex.

McCurdy is held at Greenville on two charges of forgery. His trial has been postponed pending investigation of his statement that he killed Shelton.

McCurdy also told Judge Charles Berry of Eighth District court at Greenville yesterday that he killed James Burke, St. Louis labor leader, by slipping knockout drops in his beer and then setting his hotel room afire.

McCurdy made the statement to Judge Berry when he was arraigned for trial on forgery charges.

Russ Paper Denies Reds Killed Polk

Moscow, Oct. 26—(AP)—Trud, the Russian trade union newspaper, scoffed today at Greek security ministry charges that Communists killed CBS Correspondent George Polk in Salonika.

Trud said one of the alleged assassins—Adam Mouzenides—was killed in action before Polk's murder.

(The Greek government charged in Salonika Oct. 19 that Mouzenides, a member of the central committee of the Greek Communist party, shot Polk in a boat in Salonika Bay, on May 8.)

Say Wage Demands Of Rail Employees Are Unjustified

Chicago, Oct. 26—(AP)—A spokesman for the nation's railroads asserted today that the wage-hour demands of 1,000,000 workers in non-operating jobs are "tremendous and utterly unjustified."

Guy W. Knight of Philadelphia, counsel for the carriers' wage committee, told a presidential fact-finding board that the demands would cost the roads \$1,500,000,000 a year.

This sum is more than twice the railroad's expected total net income this year and is equal to "about one-fourth of the total annual payroll of the federal government," he said.

The unions, representing such workers as telegraphers, clerks, and shippers, have demanded a five day-40 hour work week with 48 hours pay and an additional wage increase of 25 cents an hour, plus overtime pay.

Knight said the demands would mean an hourly wage boost of more than 48 cents.

The railroads, he contended, cannot maintain a rigid Monday to Friday work week like some industries. Because the roads operate seven days a week, he said, overtime pay on Saturdays and Sundays would be necessary.

Douglas Advocates Inflation Control In Radio Talk

Chicago, Oct. 26—(AP)—Paul H. Douglas, Democratic candidate for U. S. Senator, declared tonight that "a victory is in the making over the reactionary and isolationist forces represented by Senator Brooks."

In a radio talk, Douglas said his Republican opponent, Sen. C. Wayland Brooks "belongs to the Dixiecrat wing of the Republican party."

Predicting Senator Brooks' defeat in the November 2 election, Douglas said:

"It will be a victory for those of us who want to bring inflation under control; who want decent housing and slum clearance; who want labor to have an equal place with management at the bargaining table; who want the small businessman to survive; who want prosperity at home and a just and durable peace throughout the world."

Meanwhile, Adlai E. Stevenson, the Democratic candidate for governor, told the Young Men's club of his home town, Bloomington, "my greatest ambition is to drive corruption, waste and machine politics out of Springfield."

Read Phone Book To Amnesia Victim, Hears Own Name

Philadelphia, Oct. 26—(AP)—An ex-army nurse who spent two days reading a telephone book today provided police with the identity of an amnesia victim.

The victim, James McMenamin, 50, of Bristol, Pa., recognized the name of his brother, John J. McMenamin, when it was read to him by Margaret Kane, a social service worker.

Miss Kane, who had some experience with amnesia cases during World War I as an army nurse, volunteered to read the phone book.

She began the weary task on Sunday and read for hours. She finally reached McMenamin's own surname and his memory stirred.

"Why that's my brother," he exclaimed.

Truman Avers Republicans Are Afraid Of Large Vote

Cleveland, Oct. 26—(AP)—President Truman said tonight "poll-happy" Republicans are trying to lull the voters into sleeping instead of voting next Tuesday.

In a major campaign address prepared for delivery to a Cleveland audience, Mr. Truman scoffed at public opinion polls that say Gov. Thomas E. Dewey is out in front in the presidential race. He says it just isn't so.

He tied no strings whatever to his own prediction that:

"We are going to win this election."

The President took some digs at "Doctor" Dewey for handing out "sleeping pills."

He said, too, that:

Dewey is treating the 80th Congress like a "poor relation," keeping it in the back room so it won't scare the voters in the parlor.

The 80th Congress is an "old reprobate," and "old sinner" that refused to repent and backslide into the gutter of special privilege.

With the decision of the voters only a week away, the chief executive devoted a day of hard campaign that it makes no difference whether you vote or not.

"They want to do this because they know in their hearts that a big vote spells their defeat."

Dulles Lashes Soviet Tactics

Rail Brotherhoods Hit Chicago Lines

Chicago, Oct. 26—(AP)—Three railroad brotherhoods today circulated strike ballots against two feeder line railroads serving the Chicago stockyards area.

R. H. McGraw, general manager of the Chicago River & Indiana railroad and the Chicago Junction railroad, said the ballots were in violation of the dispute procedure of the national railroad labor act.

A union spokesman said the ballots were being circulated because management filed a complaint with the National Railway Adjustment board before conclusion of union-management talks on 15 grievances.

Swiss Police Expel U.S. Rodeo Troop Into France

Geneva, Switzerland, Oct. 26—(AP)—Swiss police today expelled into France an American Rodeo troupe, including one bronco-busting cowboy who identified himself as Mrs. Katherine Carnegie, estranged wife of socially prominent Thomas M. Carnegie, Jr.

Mrs. Carnegie, who said her husband is a great-grandnephew of Andrew Carnegie, was put across the border with 39 other members of the Larry Sunbrook Rodeo and thrills circus. The troupe was expelled for becoming involved Sunday night in a free-for-all battle with Swiss police.

Mrs. Carnegie said her home is at Darien, Conn., and New York.

The troupe, headed by Sunbrook himself, crossed into France near the border town of Annemasse, Sunbrook, described by the Swiss Press as "chief of the tribe," is from Wintergarden, Fla.

The group planned to go to Lymn, and then to Milan, Italy, for a scheduled show this week end. They were not certain, however, that they could obtain visas.

Pickets Halt Effort To Re-Open Strikebound Plant

Rome, Ga., Oct. 26—(AP)—More than 1,500 pickets halted the Celanese Corporation's efforts to re-open its strikebound plant on the city's outskirts today.

By late afternoon, the number of pickets had dwindled to 50. Except for the beating of an armed newspaperman, the appearance of the pickets in mass to stop the company's back-to-work movement was without violence. The strike has been in progress for 73 days.

In Washington, though, Conciliation Director Cyrus S. Ching said he had dropped plans for a meeting tomorrow between top company officials and leaders of the Textile Workers Union of America (CIO). The company said it could see no point in attending such a meeting, but agreed to a conference on the local union level.

Meanwhile, in Rome company attorneys were reported studying a request to have the union cited for contempt of court.

Family Baffled At Disappearance Of College Student

Annapolis, Md., Oct. 26—(AP)—The brother of 19-year-old Loreto E. Shanhouse said today his family is baffled by her disappearance yesterday from Smith College in Northampton, Mass.

Midshipman William Shanhouse, 22, a first classman at the Naval Academy, said he "has no idea where she could be or what could have happened to her."

The brown-haired sophomore was last seen yesterday afternoon in the Smith library and had not appeared for dinner in her dormitory. Shanhouse said his sister had been "very nappy" at a reunion with him and their mother in New York over the week end.

The midshipman said his mother, Mrs. I. D. Shanhouse, had moved to nearby Bay Ridge, Md., from Rockford, Ill., this fall. They journeyed to New York Saturday, after he received a week end liberty.

JIMMY DYKES MAY PORTRAY SELF IN MOVIES
Hollywood, Oct. 26—(AP)—Casting about for somebody to play the role of Jimmy Dykes, former Chicago White Sox manager, in "The Monty Stratton story," MGM studio has come up with—Jimmy Dykes.

Director Sam Wood says Dykes—whose Thespian rating was high in the American league—is pretty good by Hollywood standards too.

BAPTIST MEET
Harrisburg, Ill., Oct. 26—(AP)—The Illinois Baptist State Association will hold its 42nd convention here Nov. 2, 3, 4.

Asserts Russ Aim Is World Domination

Paris, Oct. 26—(AP)—John Foster Dulles, Republican party foreign affairs adviser, charged today a general effort is underway throughout the world to overthrow non-communist governments by "force, coercion and terrorism."

Because of communist violence, he said, "the United Nations has found it impossible as yet, to relieve the peoples of the world from the heavy burden of armament and the even heavier burden of fear."

Dulles spoke before the general assembly's 58-member political committee as that body began general debate on the Greek question. It was his first major speech on overall foreign policy.

Lashes Communism
The delegates here look upon Dulles as the next secretary of state if Gov. Thomas E. Dewey is elected president Nov. 2. They listened carefully as he lashed out at communism.

Elsewhere in the U.N.:
1. The Arabs accused the Security Council of prejudice at a special session on the Palestine question. Warren R. Austin, U.S. delegate and October president of the council, adjourned the session with the angry retort that the council "cannot be lashed into action by accusations of bias." The council will meet again Thursday morning on Palestine.

2. Juan Bramuglia, Argentine foreign minister and leader of neutral efforts to mediate the Berlin dispute, studied anew all angles of the situation growing out of yesterday's Soviet veto. He indicated he would continue his efforts despite failure of the neutrals' plan to win Soviet approval.

Would Spread Communism
Dulles told the political committee the Greek question and the Berlin dispute were both part of the "general effort" to extend communism throughout the world.

He offered a four-power resolution calling on the assembly to extend the U.N. special committee on the Balkans (unscored for another year) so that world opinion can be brought to bear more forcefully on that trouble zone.

The Balkan resolution was sponsored jointly by the United States, Britain, France and China. It said "the continued aid given by Albania, Bulgaria and Yugoslavia to the Greek guerrillas endangers peace in the Balkans and is inconsistent with the purposes and principles of the charter of the United Nations."

Family Baffled At Disappearance Of College Student

Annapolis, Md., Oct. 26—(AP)—The brother of 19-year-old Loreto E. Shanhouse said today his family is baffled by her disappearance yesterday from Smith College in Northampton, Mass.

Midshipman William Shanhouse, 22, a first classman at the Naval Academy, said he "has no idea where she could be or what could have happened to her."

The brown-haired sophomore was last seen yesterday afternoon in the Smith library and had not appeared for dinner in her dormitory. Shanhouse said his sister had been "very nappy" at a reunion with him and their mother in New York over the week end.

AT THE HALFWAY POINT—MORE HARD WORK AND GENEROSITY NEEDED IN CAMPAIGN

Much hard work on the part of volunteer solicitors and more generosity on the part of the contributing public will be necessary before the Morgan County Community Chest goal of \$39,000 is reached.
Latest reports showing \$18,429.39 has been pledged, are encouraging. That much money could not have been subscribed without much activity among the workers and a desire of hundreds of contributors to see the campaign succeed. But it also means that there must be more activity, more contributions, and a broader realization of the services rendered by the Community Chest agencies, before the fund is completed.

The goal of the campaign is larger this year than last, due to increased operational costs. Yet numerous contributions this year have fallen short of the amount the same contributors pledged last year. It is hoped that many persons who made pledges this year without much particular thought as to the final results will reconsider the situation. If they can increase their support to the Chest, the future of the participating agencies in this county will be much more secure.

In giving to the Community Chest, the residents of Morgan county are supporting organizations firmly established in the welfare and charitable fields of service. Boy Scouts and Girl Scouts receive training that no one disputes is good for them. The Y.M.C.A. with its Youth Center, a gathering place for hundreds of young people, is essential to a well-organized community. The U.S.O. has in past years served many Morgan county men and women in service centers, and will do the same for young men now in the armed forces. The Salvation Army carries on its work of succor for the unfortunate the year around, extending spiritual and material aid to those who need it most. The Illinois Children's Home and Aid Society goes quietly about its important work of caring for and placing orphaned and homeless children in good homes.

All of these organizations add up to one thing—a community in which all people really care for the future of young people—a community that is interested in the unfortunate, by providing services for their care—a community that once a year loosens its purse strings with generous fingers, to sustain the work to which it is accustomed, and which it would miss sorely if discontinued or curtailed.

With the Community Chest campaign at the half way point we all have an obligation. Have you made your subscription? Have you contributed something, but could give a little more? The last stage of every campaign is the hardest. To the men and women who are devoting much time to the campaign, as captains and workers, and to the public, we address an appeal to keep working, keep giving until the goal is reached. We can't let these worth while agencies down if we are to preserve present standards of community life.

Shall Lake Be Seined Continues To Be No. 1 Poser Before Council

Quiet, pupils, your Nature Lesson for today is about to begin!

This particular chapter, borrowed from the proceedings of the city council, delves into the feeding and spawning habits of fish that inhabit the depths of Lake Mauvaisterre. It also takes up, though not so thoroughly, the unsanitary conduct of starlings in Central Park.

"Fish And Feathers" might be the subject of this chapter. The city fathers didn't name it, but they and a number of council visitors spent an interesting evening Monday talking over the question of whether Lake Mauvaisterre should be seined, and how the bum's rush might be applied to the feathered rowdies of Central Park.

Two Want Fishing Rights
As the discussion got under way, two competing commercial fishermen lined up to present their views and describe their qualifications. In the audience were numerous sportsmen, the pros and cons on the seining controversy. They, too, were given a chance to elaborate on the subject.

A petition bearing names of 240 citizens, approving the seining of the lake and recommending that Charles Swan be assigned to the job, was read by the clerk. Mr. Swan seined the lake at Nichols park several weeks ago, where his work was observed by a large number of persons.

The petition urged that the city enter into an agreement with Mr. Swan for restocking of the lake with game fish in return for the rough fish that are to be removed.

State Inspector Speaks
Mayor Hoagland invited Frank Rosenthal, an inspector for the Illinois State Department of Conservation, to state his views.

"What we are trying to determine now is whether the lake should be seined, or left as it is," the mayor explained.

Rosenthal declared that the commercial fishermen cannot transfer game fish from one body of water to another unless specifically authorized to do so by the state department. He said he does not know of such an arrangement in his district, which includes several counties.

Howard Edlen, manager of the Edlen Fisheries of Mercedia, asked the council for the contract of seining the lake if the city decides to have the job done. Edlen said his father started the Mercedia company 40 years ago, and that it is fully equipped to do the local work under supervision of state department officers.

Would Furnish Game Fish
Charles Swan, formerly of Beardstown, who has resided here for the past six months, appeared again before the council to bid for the seining job. He said his offer to replace rough fish with game fish still stands—that the arrangement has the approval of Inspector Sarff, whose district extends to the north of Morgan county.

Others who addressed the meeting on the seining question included N. N. Noudett, who operates a sporting goods store; Albert Bray and Edward Lewis, both of whom have fished the local lakes for many years. Aldermen mulled over the situation for a few minutes after which Alderman Kelly moved, seconded by Alderman Weaver, that the council ask the department of conservation to determine by "sampling" to determine if the lake should be seined of rough fish. The motion carried by unanimous vote.

With the fish problem temporarily out of the way, the council turned to the subject of starlings with Alderman Flynn as leader of the forum.

Wed In City

Mr. and Mrs. Harold Gish, a pictured after their wedding which took place Oct. 12 at the home of Mr. and Mrs. J. J. Graham, 219 South Prairie street. The Rev. William J. Boston officiated at the single-ring ceremony which was performed before an improvised altar of ferns and fall flowers.

The bride was formerly Miss Rosalie Taylor of Modesto. Miss Frances Wankel and Harold Suter were the attendants. The bride wore a coffee brown dress with dark brown accessories and a corsage of talisman roses.

Lafayette Pupils Receive Health Certificates

At a Lafayette school general assembly held Friday afternoon 47 students who have passed the complete health examinations required by the medical advisers in Sept., were presented with health certificates by Mrs. Harry Hofmann, Jr., health chairman, and Mrs. Henry Bodensiek, co-chairman.

Those receiving the certificates included Miss Venters' first-grade pupils: Richard Barton, Carolyn Bunting, Harry Lee Hall, Shirley Herrin, Richard Jacobs, Kerry Kitner and Gloria Klump; Mrs. Omundson's first graders: James Abernathy, Linda Bodensiek, Bertha Coats, Sherry Haines, Clarence Gerald Lewis, Richard Parker, Patricia Phillips, Robert Poole, Millie Powell, Raymond Robbins, Charles William Sanders, Donna Jean Sorrells, Patricia Turley, Ronald Lee Ward and Nancy Lee Willis.

The fifth grade students of Mrs. A. W. Rhoda Baker, Sue Barton, Barbara Blue, Sheila Bourn, Edward Brown, Jon Cody, Dean Crouse, George Gardner, Dale Gilpin, Mary Ellen Goodey, Delmar Hoots, Linda Jackson, Carole Page, Rex Pratt, Jane Schneider, Joyce Elaine Smith, Carol Townsley and Charles Williams; and Miss Mollenberg's fifth graders: Larry Beemer, Donna Cosner, Barbara Dudley, Elizabeth Dudgey, James Reynolds, Patricia Tribble and Sonja Souza.

The program, announced by Sharon Jane Dowland, included the pledge of allegiance; group singing; a play, "Grownups for a Day," by the sixth grade girls; remarks by Miss Wuebbold, physical education teacher; and the presentation of the certificates. The mothers of those who received health certificates were invited to attend the program. More certificates will be awarded as other students make the necessary health corrections.

Boyle's Column

Rain Tells The Truth, Doesn't Fool Anybody!

By Hal Boyle
New York—(AP)—It is a rainy day outside and I wonder if any political candidate is going to endorse it. Why not?
Well, perhaps because it is too controversial. A politician might win the farm vote by coming out four-square for rainy weather, but there would always be an adviser in the background to warn:
"Don't do it—too risky. You'll just make the city folks mad."
But it has always seemed to me that rain was one of the most blessed things in the universe. And not because it refreshes the green things that grow in the fields—but because of what it does to human beings.
Rain wets down and washes the dreary, dusty face of nature. In the same way it washes the pettiness out of people, and makes them nearer to what they want to be. At least it does for most people.
Sunshine Is Tonic
Sunshine has the opposite effect. Sunshine is an insidious tonic that makes everybody feel wonderful—but selfish. It makes a man say to himself, "Boy, today I got the world by the tail." And sunshine is a liar. Nobody ever really had the world by the tail—for long.
Rain tells the truth. It doesn't fool anybody.
Rain does for mankind in a cheap and harmless way what war does in an expensive and wasteful way. It makes a man aware of the loneliness he is born to and dies in. It makes him want to be closer to his fellows, a feeling he always has when hardship threatens, the skies clamber, and his world darkens.
Rain gives a man understanding of what Wordsworth called, "the still sad music of humanity." And that music will teach him more than books or bibelots.
Rain Makes Old Feel Old
Rain makes an old man feel the

age in his bones, and tells him he hasn't much time left to do the good he wants to do. It causes young folks far away to pause and write the letter home they had forgotten.
Rain does many other things besides cause pneumonia. It shows up the hypocrite. Beware the man of false good cheer who grumbles testily and continually when it showers. He lacks the pull for the long road, and you're better off without his company. Rain breaks the lockjaw of the timid soul, and causeth him to quack happily: "Wet enough for you today?"
People don't save up their money for a rainy day. They just save up their humanity. Too bad it doesn't rain more often.

Not responsible for Toy buyers who do not wait for Wards Toyland opening. The largest in town. Where quality and price has never been equaled. Watch for the opening date. MONTGOMERY WARDS

FRIDAY ON STAGE "STOP THE RECORD"

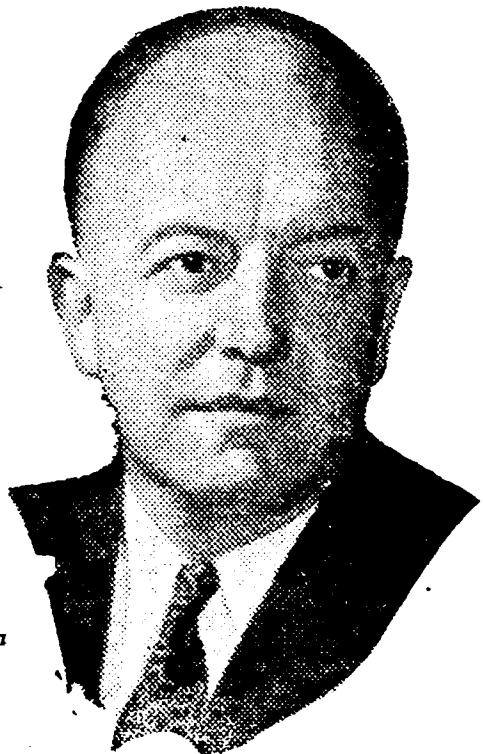

"I've just had a look at our new Navy. I was amazed to see how much it's changed in just three years. The new emphasis is on fast carriers, super-speed subs, jet planes, buzz bombs, electronics and atom warfare. In fact, the new Navy has instituted the greatest program of basic research both for war and peace ever undertaken by any nation at anytime. Here's a glimpse of what I've seen..."

ROBERT MONTGOMERY, Commander, USNR
Famous Motion Picture Star

"Our land of the free must ever be strong on the sea and strong in the air. The United States Navy is vital for that purpose. America's leadership for peace, America's effectiveness in world affairs, America's security at home—all demand a powerful, modern Navy as an inseparable part of a total fighting force."

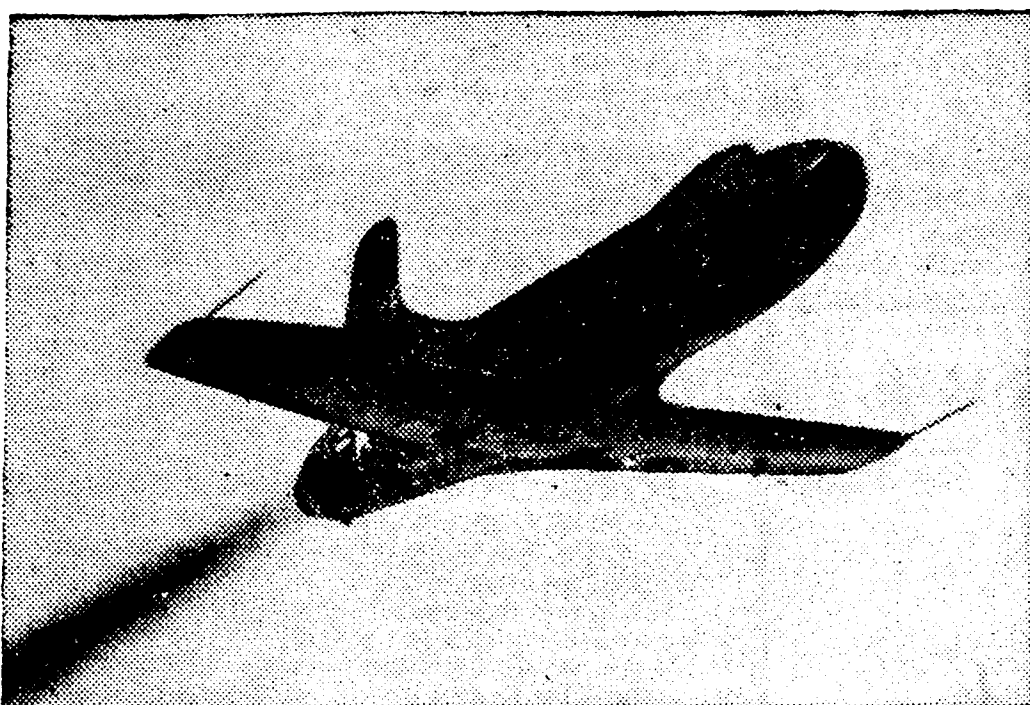

HAROLD E. STASSEN
Captain, USNR
President, University of Pennsylvania

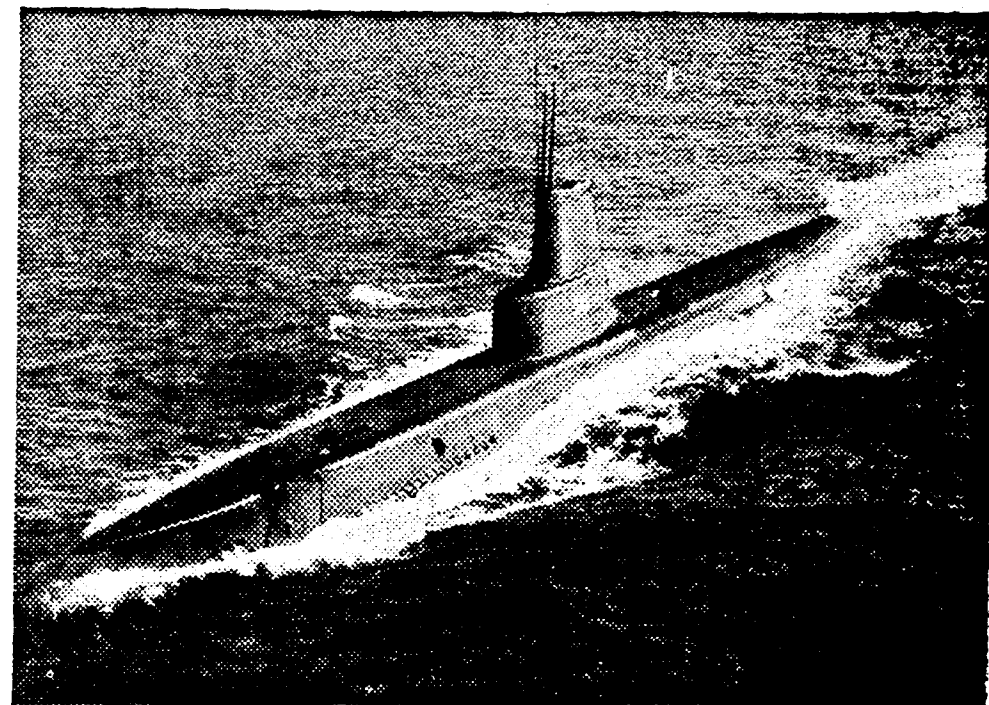

"Congratulations to the Medical Department of the Navy on its superb program of medical research. The results of these studies, that brought new medical knowledge to the world, not only contributed to the welfare of its fighting men on the sea, beneath the sea, and in the air, but to all mankind as well. On this day, I, as well as the nation, salute the Navy."

DR. EDWARD L. BORTZ, Capt., USNR
Immediate Past President
American Medical Association

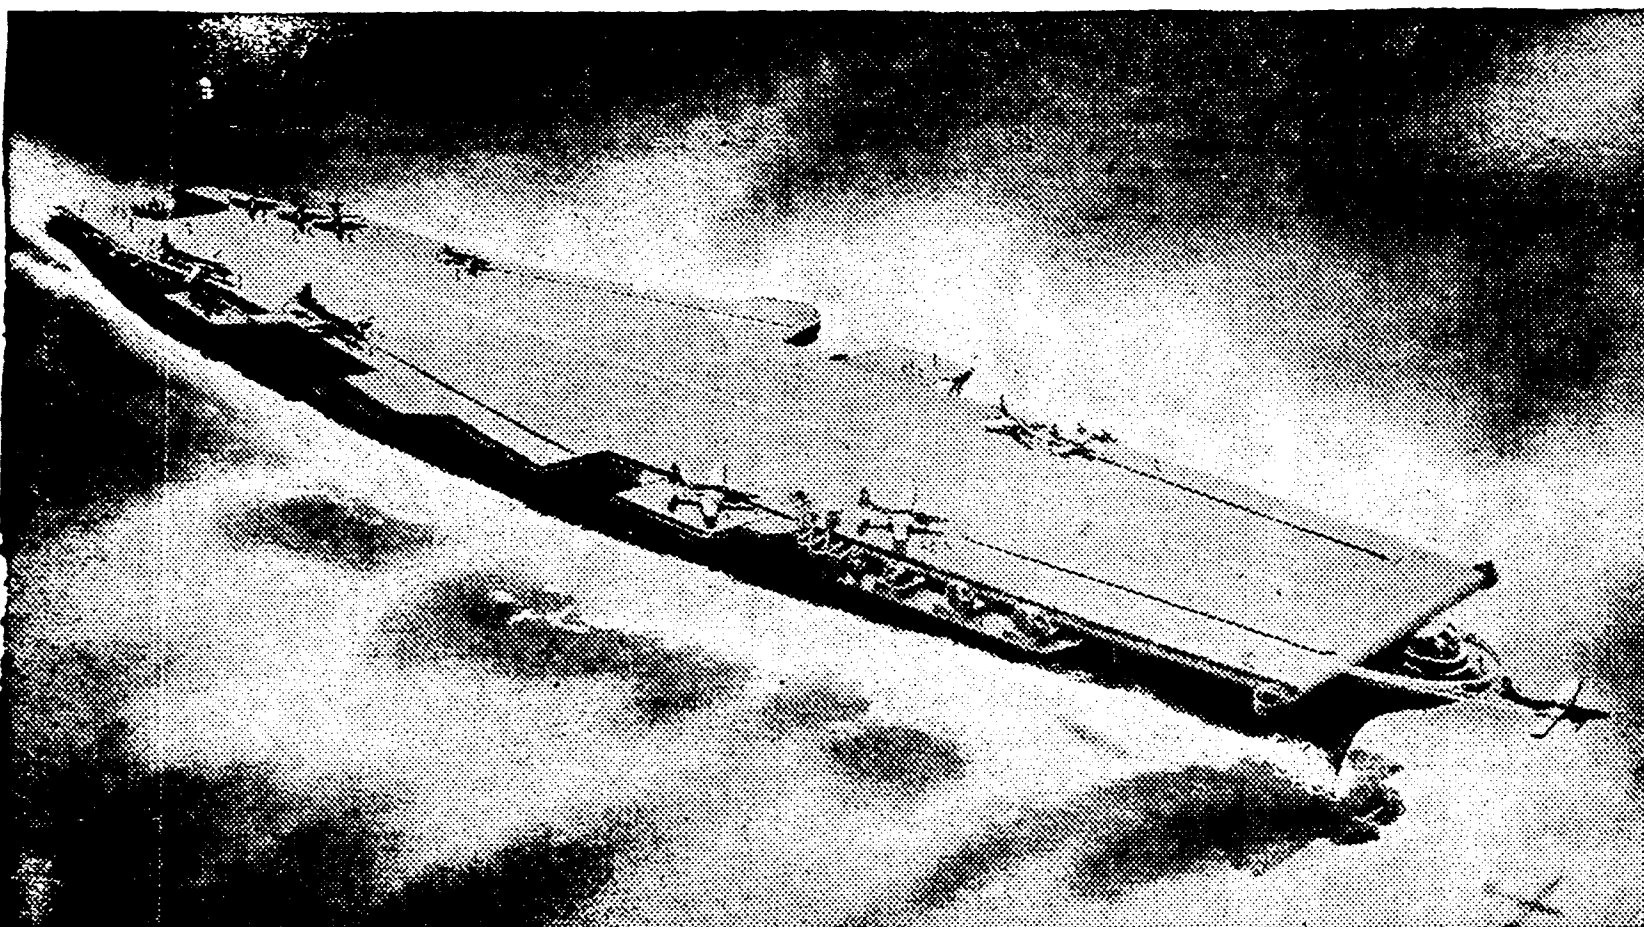

It's a NEW Navy!

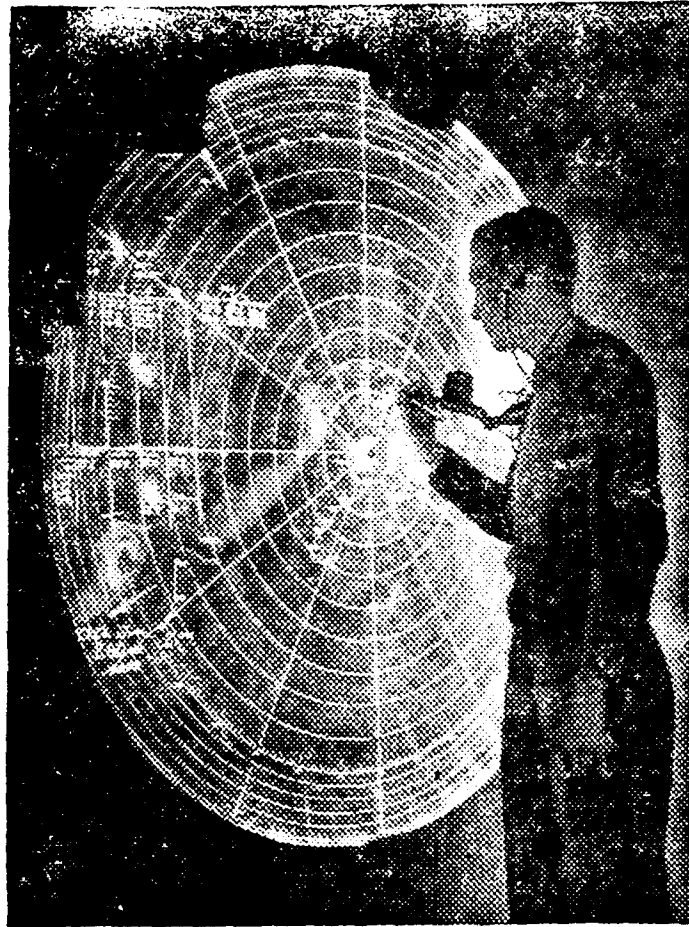

NAVY SETS PACE IN AVIATION—four records in a single year: 1) world's long distance non-stop flight record, 2) world's speed record, 3) national rate-of-climb record from a standing start to 10,000 feet, 4) maximum endurance record without refueling.

The Navy's new submarine travels underwater faster than submarines did on top during World War II. Equipped with twin snorkel tubes—breathing tubes—these new subs can cruise submerged for days without rising to recharge batteries.

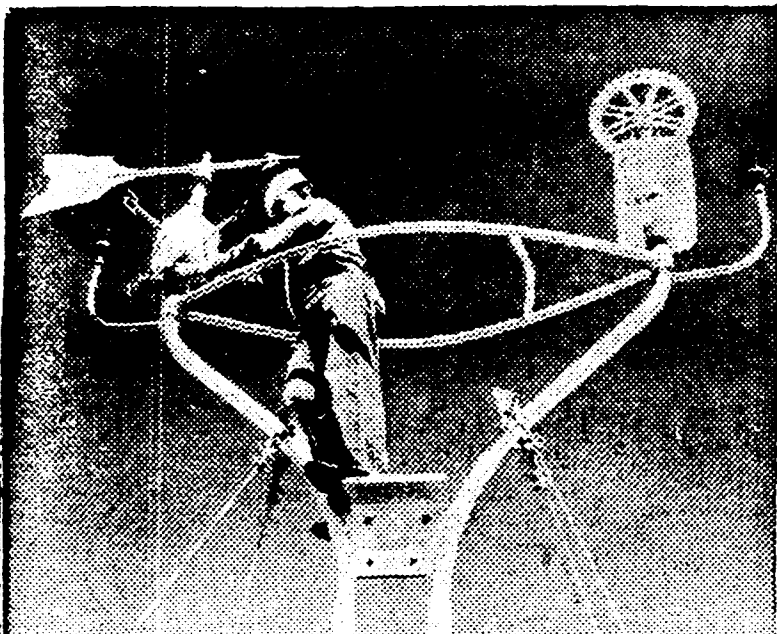

Here's a sketch of Navy's new Super-carrier—a 65,000-ton flat-top 1,080 feet long with a crew of 4,000 officers and men. This great ship is designed to carry a new type jet bomber with greatly increased cruising range. Top speed of this new carrier is expected to be in the neighborhood of 40 miles per hour. This new super flat-top is 100 feet longer than today's largest carrier—by far the largest ship ever commissioned.

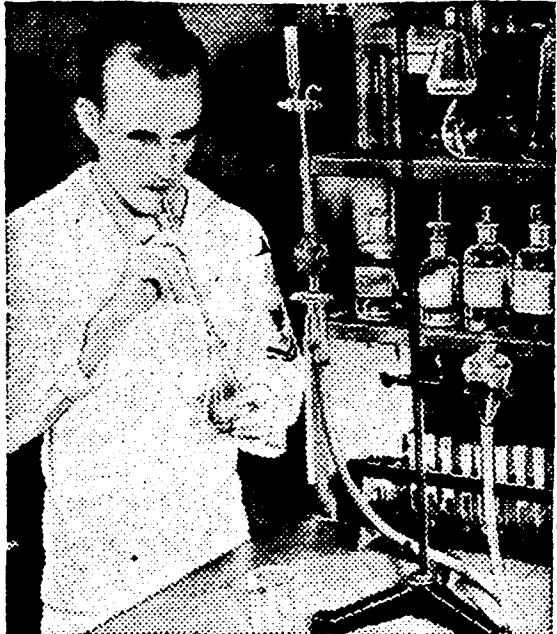

Spectacular electronic advances — no university anywhere can surpass the training the Navy offers in electronics. Navy's completely new electronic equipment has already made obsolete most devices in use at the war's end.

The Loon, a guided missile, is launched at the pilotless aircraft unit, Naval Air Missile Test Center in California. To avoid duplication of effort and save money, much research is co-ordinated with the development plans of the Army and the Air Force. For victory is achieved only by combined efforts of armed forces, industry and science.

The Navy maintains complete weather stations in many parts of the world. Weather maps are radioed daily to U. S. Weather Bureaus. Navy research directly benefits Americans in their every day living in hundreds of ways. Some others—Medical research on rheumatic fever, streptococcal diseases and airborne infections.

The new Navy has stimulated and co-ordinated the greatest program of basic research ever undertaken. Over 1,200 projects in 21 fields of science at 200 universities, government and industrial laboratories are being sponsored.

Vows Exchanged By Alvina Darr And Roy Spiker

Carrollton—Mrs. Alvin Darr and Roy Spiker, both of this city, were married Sunday, Oct. 25, at two p.m. by the Rev. Marshall D. Ulm, pastor of the local Methodist church.

The ceremony took place at the Spiker home. The couple were attended by Mr. and Mrs. William Pillman of Peoria.

Following the ceremony a reception was held, at which members of the Sunday School class of the Methodist church, of which the bride is a member, were hostesses.

Mr. and Mrs. Spiker are making their home here. Spiker is employed in Black's Garage in White Hall and Mrs. Spiker is employed in the Shoe Factory in Jerseyville.

Announcement is being made of the wedding. Not responsible for Toy buyers who do not wait for Wards Toyland opening. The largest in town. Where quality and price has never been equaled. Watch for the opening date.
MONTGOMERY WARDS

the engagement and approaching marriage of Miss Harriet Little of Carthage, to Bud Ingledue, also of Carthage. The wedding will take place Sunday, Oct. 31, in Carthage. Miss Little is the daughter of Harry Little and the late Mrs. Harry Little of this city. She attended high school here and has been employed as telegraph operator in Carthage for several years.

T. B. Tests Given At High School In New Berlin

New Berlin—Tuberculin tests were given 90.5% of the high school students at New Berlin. The tests were given by Dr. Rhea Maxwell, assisted by Miss LeCamp and Miss Fitzgerald, nurses from the Public Health Office. Health talks were also given by the nurses.

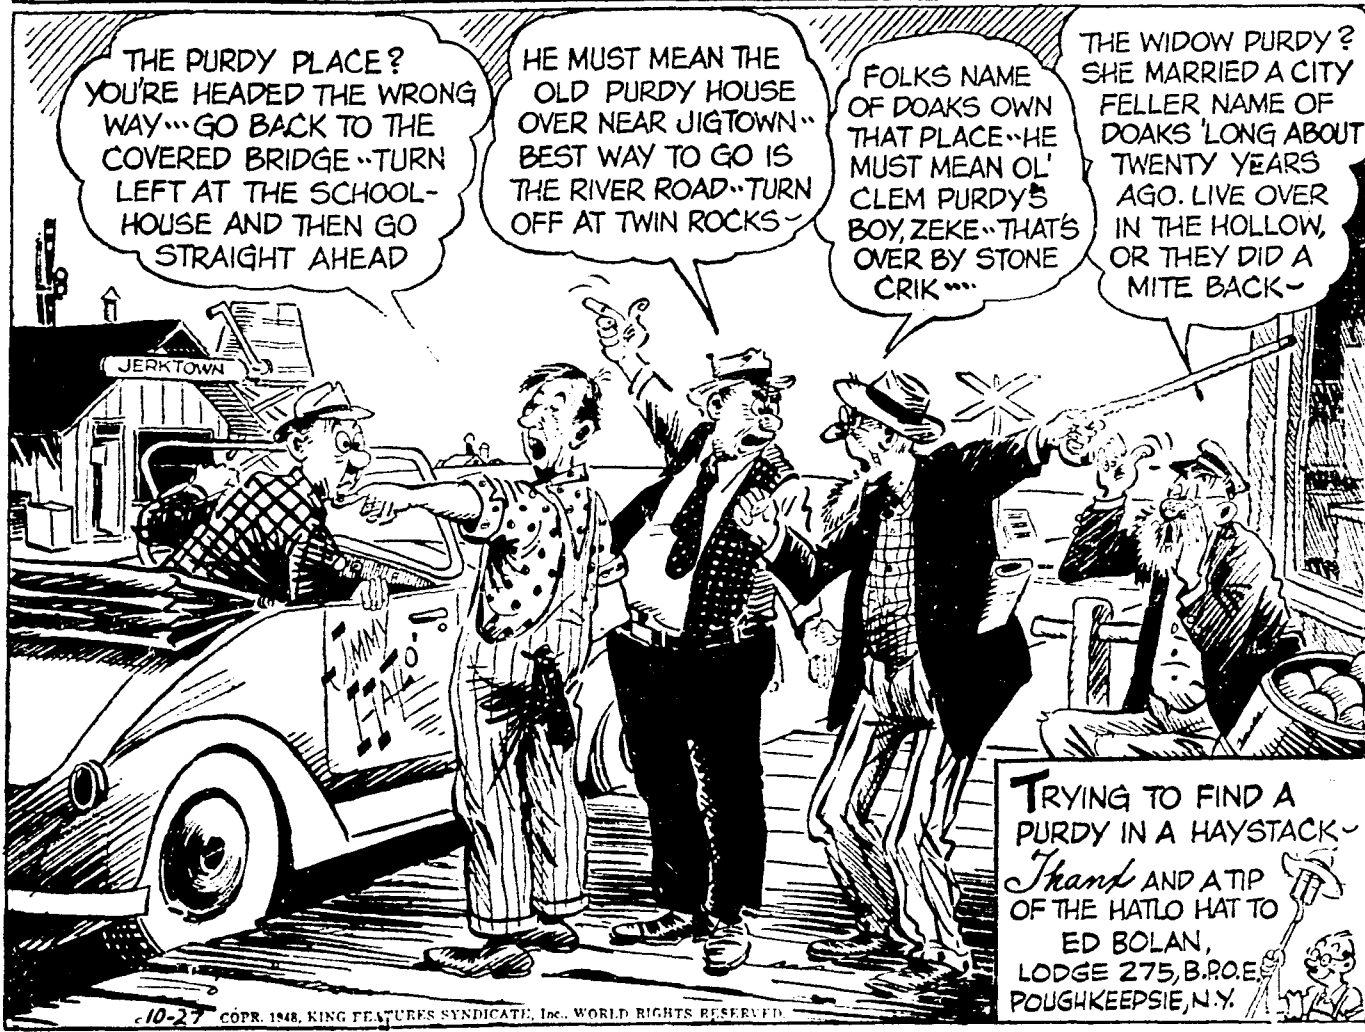

The Interdenominational Youth group met at the First Baptist church Sunday evening. Fifty young people were present. A social period followed the business session.

Mr. and Mrs. Walter Long and Mr. and Mrs. John Marr attended the Homecoming at Western State college in Macomb.

Pioneer Days Recalled By Man Nearing 101

Carrollton—Warren Beebe of El-Cred, who will be 101 on Jan. 5, was a guest of honor at the 24th Cattle Feeder's banquet held Saturday in the Knights of Columbus Hall and sponsored by the Greene County Livestock Marketing committee.

Beebe shared honors with Sylvester Melvin of Greenfield, who is 97 and who was so busy carpentering during the day that he almost missed the banquet. Beebe was accompanied by his kid brother, Frank Beebe, 87. Although unable to make a talk at the banquet this year as he has in the past, Beebe gave his message to Charles Smith, chairman of the Livestock Marketing committee who presented it to the crowd.

The aged man through his spokesman, Smith, said that he had lived in Greene county from the age of seven to the present mechanical age and related how he had driven his cattle and swine to Alton on foot many times in his youth. He also recalled when the products of the plainsland around Carrollton were taken to the river for shipment by steambowl. Beebe remembers the first railroad in Greene county, for which he helped lay the track. He also helped dig the first drainage ditch in the bottom lands along the river. The ditch was dug by a machine pulled by sixteen horses and the same ditch is still in use at the present time.

Recalls Four Wars
Beebe produced food for four wars, although he was rejected as physically unfit for active duty in any of the wars. He was an extensive farmer and stockman during his younger days and has had as many as forty-one head of horses in the field at one time, during the age when horses were used instead of the modern machinery.

Beebe, who is a charter member of the Greene County Farm Bureau, was given life membership in the organization on his 100th birthday last year. The Farm Bureau promises the same honor to any other of its members reaching that age.

The speakers Saturday evening were Dr. C. E. Fidler, who gave a report of the State Diagnostic Laboratory and Interstate Movement of Stock and Feeder Cattle, and Jerry Chmelka of the Kansas City Producers Association and Feeder Division. E. R. Devine of the St. Louis Producers Association also talked on the present situation of livestock feeders.

Favorable Price Situation
The opinion of all the speakers seemed to be that there are more favorable price relationships between feed and meat on the hoof than in the past and that this

Two Accidents At Carrollton Over Week End

Carrollton—Two accidents occurred in and near Carrollton Saturday evening in which no one was seriously injured, although the cars involved were damaged.

Saturday evening about eleven o'clock a car driven by Robert Graner collided with a pickup truck driven by Lee Freer of this city. Mrs. Freer, who was riding in the truck with her husband, was taken to the Boyd Memorial hospital, suffering from shock and bruises.

Graner is the son of George Graner of this city. Both the car and truck were damaged by the impact.

A car driven by Lance Vincent Kuhnline, son of Mr. and Mrs. Lance Kuhnline of north of town, was badly damaged Sunday at five a.m. when Kuhnline apparently lost control of the car and it overturned on Macoupin Creek hill on route 67, south of Carrollton. Kuhnline was uninjured.

RETURNS TO MICHIGAN

Demonstrating the ease of handling the Hiller 360 helicopter, company executives hold up their hands while the plane hovers over the ground during a Palo Alto, Calif., demonstration. Stanley Hiller Jr., company president, and two companions show how the new control rotor system gives the craft inherent stability.

Methodist Youth Have 2nd Meeting Of Fall Institute

The second meeting of the fall institute for Methodist youth took place Monday evening at the Methodist church in Franklin, with approximately 100 young people in attendance.

The address of the evening was given by the Rev. James K. White, pastor of the Methodist church at Griggsville. His topic was "Jesus' Way, Our Way In Our Youth Fellowship." A discussion period was led by the dean, the Rev. Robert Campbell.

The next meeting will be held at the Methodist church in Ashland on Monday, Nov. 1.

Butter-nut BREAD'S GOOD IDEAS

KITCHEN TRICK

TRY A fresh apricot and banana salad. Cut bananas in thin slices, arrange in a ring on lettuce and sprinkle with lemon or lime juice. Fill center with peeled apricots. Add a wee bit of cream cheese garnish if you wish.

HOUSEHOLD HINT

NEXT TIME dust meat or vegetables with prepared pancake flour. Adds more flavor.

RECIPE

GREEN AND GOLD SALAD

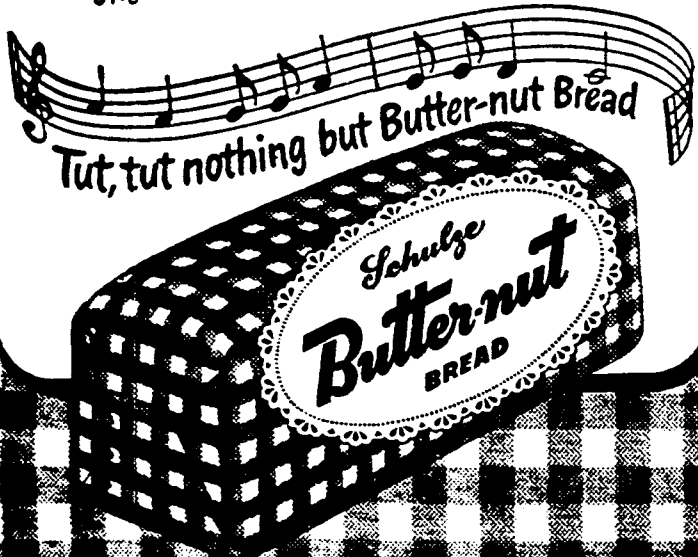

2 c. cooked peas 1/2 c. minced sweet
2 Tbs. French dressing pickles
1 c. diced mild cheese 1/4 c. chopped celery
1 tsp. minced onion
Mayonnaise

Mix peas with French dressing, chill for 1/2 hour. Combine peas with balance of ingredients, moisten with mayonnaise. Serve on lettuce. Serves four.

ALL TOGETHER

EVERYTHING YOU want in fine white bread is in Butter-nut—the bread in the blue-and-white checked gingham wrapper. Flavor, full nutrition (enriched, too), freshness—all together in Butter-nut Bread.

Pastoral Helpers Of Chapin Plan Silent Auction

Chapin — The Pastoral Helpers will meet at 7 p.m. Thursday at the home of Mrs. William R. Fisher, with Miss Adelia Hamilton as assistant hostess. A silent auction will be held.

85th Birthday Observed
John N. Funk observed his 85th birthday last Thursday. Mr. Funk's health is good and he makes daily trips downtown where he assists his son-in-law and daughter, Mr. and Mrs. J. H. Calloway, in their cream station.

His daughter, with whom he now makes his home, had a birthday supper for him. Mr. Funk received a number of cards and gifts.

Chapin News
Allen P. Brewer, who enlisted in the U.S. Air Force for three years, has been sent to Sheppard Air Field, Wichita Falls, Tex., for training.

Mr. and Mrs. Melvin Johnson and Mr. and Mrs. Gordon Johnson and daughter were Sunday guests of Mrs. Melvin Johnson's sister, Mrs. Harry Glass and family of Peoria. Another sister and her husband, Mr. and Mrs. Lynn Manwaring of Princeton, Ill., were also guests in the Glass' home.

Mr. and Mrs. Walter Rigg, called by the death of his brother, Fred, in Jacksonville, spent the weekend with relatives.

Mr. and Mrs. R. E. Pond of Santa Fe, New Mexico, are the guests of her parents, Mr. and Mrs. H. C. Bridgman, and other relatives and friends.

Mr. and Mrs. Robert Munn and son of St. Charles, Ill., visited her mother, Mrs. Minna Onken, and

other relatives here on their way to San Antonio, Tex., where they will make their home.

H. O. Woodward of Springfield was a visitor here Saturday.

CARROLLTON

Carrollton—Mrs. Carl Nell went to Jacksonville Friday to attend the Homecoming of Illinois College of which she is a graduate.

Chief Petty Officer and Mrs. Donald Royal of San Diego, Calif., announce the birth of a daughter, Norma Lyn on Oct. 6th at the San Diego Naval hospital. Mrs. Royal is the former Miss Louise Varble of this city.

Chief Petty Officer Royal is at present on duty as a recruit instructor at the San Diego Naval Training Center.

Dr. and Mrs. C. R. Peck of Kennett, Mo., are the parents of a second set of twins, a boy and a girl, born Saturday, Oct. 16th at the Lucy Lee hospital in Popular Bluff, Mo. The first set of twins also a boy and a girl are now four and a half years old and they have another son, aged two. Mrs. Peck is the former Miss Charlotte Fry, daughter of Mr. and Mrs. Charles Fry of this city.

Mrs. Eva Robinson and Mr. and Mrs. Richard Giller went to Wood-river Sunday where they were guests of Mr. and Mrs. L. H. Holland.

Miss Bessie Carter spent Thursday in Alton visiting friends.

Mr. and Mrs. Melvin Chappell and daughter of Ypsilante, Mich., arrived Saturday and are guests of Mrs. Chappell's parents, Mr. and Mrs. Z. Roberts.

Judge and Mrs. Clem Smith and Judge and Mrs. G. K. Hutchens will go to Winchester Wednesday evening to attend a banquet given by the members of the bar of that city.

Mr. and Mrs. C. W. Ballard spent the weekend in Springfield with their son and daughter-in-law, Mr. and Mrs. Ray Ballard. Ballard and his son went on to Champaign Saturday to attend the football game.

Mr. and Mrs. L. J. Powell, Mrs. H. H. Levi, Mrs. Dewey Maholland and Mrs. G. K. Hutchens went to Chesterfield Saturday evening to attend guest night at the Chesterfield Eastern Star chapter. Mrs. Levi, the Worthy Matron of the local chapter, served as secretary. Mrs. Paul Levi will serve as marshal Monday evening at guest night of the Winchester Eastern Star chapter. Others from here who will go to Winchester are Mrs. Carroll Sheets, Mrs. Howard Kessie, Mrs. G. K. Hutchens and Mrs. L. J. Powell.

If They Have To Pay Damages It Won't Be Funny

Jerseyville—Farmers in the Jerseyville vicinity were offering rewards here Saturday for the apprehension of parties who sabotaged farm equipment during Friday night under the guise of Halloween prank-makers.

Two farm wagons were removed from the Winter's farm north of Jerseyville during the night and one of the vehicles was found some distance from the farm, overturned and damaged. The second wagon had not been located up to Saturday noon. Winters had been engaged in picking corn and the loss of the wagons apart from the damage to the one found consisted of the halting of corn picking for need of conveyances.

At the Manning farm two miles west of Jerseyville, which is operated by Paul M. Thatcher, a wheat drill with fertilizer attachments was taken from the field where Thatcher was sowing wheat.

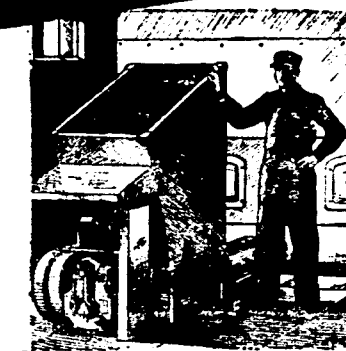

The drill was pulled along the highway a distance of more than 2 miles and finally abandoned by the pranksters in a ditch by the side of the roadway. Damage to the drill was estimated Saturday morning in excess of \$100.

PIMPLES

DON'T SQUEEZE THEM! Instead brush on KLEEREX and see how amazingly fast it hides ugly pimples as it dries them—often on first trial. Not a greasy salve that clogs pores, but a soothing medicated liquid that relieves itching—drives redness out. Ask for KLEEREX at all druggists. Double your money back if it fails. 49c

IRON FIREMAN stokers are

CALL FOR PHILIP MORRIS

Ask the woman
who owns one

By tradition, she's entitled to the last word. So Packard has built it for her!

She might not care whether what's under the bonnet is a "free-breathing" straight eight, or a turbo jet.

But when she praises delightful responsiveness, and the soothing smoothness of Packard power... we like it! (What man ever put so dainty a shoe against an accelerator pedal and got such results?)

She might not care whether Packard's superior roadability and handling ease are achieved by advanced engineering, or by happy little gremlins.

But when she tells us that her Packard has the restful riding ease of a

limousine, and the finger-tip handling of a tiny tot's stroller... we beam!

And when it comes to styling, and tailoring, and convenience features, she's always been the No. 1 authority—and New York's Fashion Academy confirms her good judgment in preferring Packard.

Come in—learn all the reasons why the most enthusiastic "man who owns one" is often a woman!

Packard

CHICAGO LIVESTOCK MARKET REPORT

Chicago, Oct. 26.—(P)—Firm prices ruled for hogs and cattle in the livestock market today, but lambs eased a bit.
Hogs gained 25 to 50 cents with the biggest advance on sows, which comprised only a small part of total receipts. Top was \$26.50, paid for one load.

New York Stock Market

New York, Oct. 26.—(P)—The stock market resumed its October advance today following yesterday's modest setback.
The price list showed a few sticky spots but gains of fractions to around 2 points were in a clear majority.
Volume headed past the 1,000,000 share mark once more, with dealings at the rate of 1,100,000 even with Monday's business.
Motors were in the driver's seat throughout the day. General Motors hit a high for the year with a gain of one point and smaller advances were posted for Chrysler and Studebaker.
Interest in the rails was slight most of the time. Excellent earnings reports for many carriers contributed to firmness in that group.
Fair activity developed in the steel group, mostly at slight declines, while traders awaited dividend action and an earnings report from U. S. Steel after the close of the market.
Higher prices were paid for U. S. Rubber, Douglas Aircraft, Youngstown Sheet, Union Pacific, Illinois Central, Gulf Oil, General Electric and Western Union.
In the bond market obligations of the Third Avenue Transit System did pretty well despite the request of two bondholders for a reorganization.

Chicago Cash Grain
Chicago, Oct. 26.—(P)—No wheat. Corn: new No. 2 yellow 1.39; No. 3 1.35; No. 4, 1.26-28; No. 5, 1.18-24; sample grade 98-110; old corn No. 1 yellow 1.41-42; No. 2, 1.40-42; sample grade 1.15. PROFIT CASHING IN GRAINS CUTS PRICES FOLLOWING ADVANCE

Chicago, Oct. 26.—(P)—Profit cashing toward the close of today's Board of Trade session reduced prices somewhat, after a fairly steady advance. Wheat advanced on commercial buying, bolstered by reports of storage during September.
Corn and soybeans advanced on reports that the Commodity Credit Corporation was entertaining offers for export. Reports that Holland had purchased 560,000 bushels of soybeans overnight, brought on short covering. Corn bookings on a to-arrive basis were placed at 200,000 bushels.
The first trade in September wheat (1949) was recorded around noon at two cents under July wheat.
Receipts were: wheat 4 cars; corn 309, oats 6 and soybeans 105.
At the close wheat was unchanged to 8 higher than yesterday's finish, December \$2.29, corn was 1 to 1 lower, December \$1.37-1/2 higher, December 77. Rye was 1 cent to 2 higher, December \$1.85. Soybeans were 1 lower to 2 higher, November \$2.51-1/2. Lard was 2 to 7 cents per hundredweight higher, November \$19.35.

William Perry Dies At Home In South Carolina
William Perry, 70, whose wife was a former resident of this city, died at his home in Columbia, S. C., at 10:10 o'clock Tuesday morning, according to word received by his brother-in-law, Chester M. Sharpe of 1415 West College avenue.
Mr. Perry was the husband of the former Miss Jessie Sharpe, who formerly resided here.
He was a member of the firm of Perry-Mann Electric company, representatives of the General Electric company in the state of South Carolina.
Mr. Perry was prominent in the business circles at Columbia and was a member of several civic clubs.
He visited with Mr. and Mrs. Sharpe here last year.
Funeral services will be held at Columbia Wednesday afternoon.

Pheasant Hunting Party Gets Limit In South Dakota

Hayden Walker of the Walker Motor Company returned Monday night from a successful hunting trip in South Dakota, where he and three companions bagged their limits of cock pheasants. Mr. Walker has gone to the same region each hunting season for several years.
His companions on the trip were his son-in-law, Richard Hornbeck of Ottawa, Ill., T. C. Moore of Winchester, superintendent of schools in Scott county and J. O. Sears of Bluffs.
The party had the services of "Pete," a Llewellyn setter owned by Mr. Moore.
Hunting in the vicinity of Canova, S. D., for five days, each member of the party shot his limit of four cock pheasants each day for five days. Mr. Walker reported that the supply of birds appeared to be more plentiful this year, but that the cover is heavy and they are hard to locate.
The hunters were in the field on the first day of the season for non-residents, which begins ten days after the season for South Dakota residents. Shooting of cock pheasants only is permitted. The hens outnumber the cocks about ten to one, according to Mr. Walker.
He said a party of Texas hunters who flew in to the hunting area failed to take the law seriously as to killing hen pheasants. When the Texans were picked up by game wardens they had 42 hen pheasants in their possession. It cost them \$100 each in fines and their guns were confiscated according to South Dakota law. At the close of the hunting season confiscated guns are sold at auction by the state conservation department.
Non-resident hunting licenses in South Dakota cost \$20, with a \$3 additional charge for every county in which the hunter operates.

Burial Services Wednesday For Laura H. Taylor

Graveside services for Mrs. Laura Hix Taylor of Fort Scott, Kansas, will be held Wednesday afternoon at 2 o'clock at the Franklin cemetery.
Mrs. Taylor is survived by one daughter, Mamie; two sisters, Mrs. J. B. Peak and Mrs. C. A. Obermeyer of Jacksonville, and several nieces and nephews.
AT BIRTHDAY DINNER
Mr. and Mrs. Guy Lynn, Mr. and Mrs. Terrance Brennan, Sr. and Mrs. Clara M. Spith were guests at a dinner given at the home of Mr. and Mrs. Edgar Lowe of Peoria, honoring their daughter, Linda Sue Lowe, on her birthday anniversary. Mrs. Lowe is the former Miss Helen Lynn, daughter of Mr. and Mrs. Guy Lynn.

5 Players From A. L., Five From National On 1948 All-Star Team

BY JOE REICHLER

New York, Oct. 26.—(AP)—Five players from the American and five from the National make up the 1948 Major League All-Star team as selected for the Associated Press by 220 baseball experts throughout the nation.

Only six of the 16 big league clubs, three in each league, are represented in the third annual All-Star aggregation. The world champion Cleveland Indians won two berths as did the National League champion Braves.

Bosox, Cards Place Two
The Boston Red Sox and St. Louis Cardinals, runner-ups in their respective circuits, also placed two representatives each. One man from the New York Yankees and one from the New York Giants complete the team.

Of the ten men selected, no fewer than six are holdovers from the 1947 All-Star team. They consist of the entire infield of Johnny Mize, Joe Gordon, Bob Elliott and Lou Boudreau; Ted Williams and Joe DiMaggio, who comprise two thirds of the outfield. Williams, suggesting outfielder of the Red Sox, is the only performer to be elected to all three teams starting in 1946.

No player was an unanimous choice. Stan Musial, the National League's batting king, and Williams, the champion stickman of the American League, were tied for the most votes. Each drew 212 of the 220 ballots cast.

Williams Picked For Left Field
All Williams, votes were for left field. Musial's were scattered over three positions. The Cardinals' great fly-chaser, who led his team in batting, runs scored, hits, runs batted in, doubles and triples, drew 195 votes for right field, five for center and 12 for first base. The 27-

year-old pride of Donora, Pa., won a place on the '48 ball-star team at first, but lost out last year in the outfield to Ralph Kiner of Pittsburgh.

DiMaggio, spark plug of the Yankees, won the centerfield post hands down with 210 votes, third highest total among the 63 vote-getters. Mize, with Williams and Musial, make up one of the greatest hitting outfields ever put together on an All-Star team. They hit 103 home runs and drove in 415 runs this season.

Boudreau, playing manager of the Indians, and the logical choice for the American League's most valuable player award ranked fourth with 209 votes to easily win the shortstop berth.

Mize Receives 118 Votes
Nobody else topped the 200 mark. Johnny Mize of the Giants, who tied Kiner for the Majors' home run crown with 40 circuits swats, received 118 votes and Gordon, the Indians' great clutch-hitter, got 108.

Johnny Sain of the Braves gathered 140 votes to be named the right-handed pitcher of the team. The tall Arkansas curve ball specialist who won 24 games during the regular season, and shut out the Indians, 1-0, in the world series opener, more than doubled the 60 votes drawn by Bob Lemon, Cleveland's 20-game winner. Lemon, who walked off with two world series triumphs, was Sain's closest competitor.

The big surprise was the puny 10 votes awarded to Bob Feller, whose strong finish after a dismal start aided considerably to bring Cleveland its first flag in 28 years.

Brecheen Top Lefty
The battle for the top left-handed pitcher was much closer. Harry (The Cat) Brecheen, 20-game winner of the Cardinals, was the victor. He was backed by 90 votes to 80 for Hal Newhouse, who won 21 games for the second division Detroit Tigers.

Birdie Tebbetts, peppery backstop of the Red Sox, failed to reach 100, but had enough to win the catching job. His 82 votes were 32 more than runner-up Jim Hegan of Cleveland, who was able to muster.

The smallest number required by any winner went to Elliott. The Braves' cleanup hitter received only 45 votes, about one fifth of the total cast, yet managed to take the third base job.

George Kell of Detroit finished in the runner-up spot for the third consecutive year, with 46 votes.

Don Black Plans Comeback Attempt During '49 Season

Cleveland, Oct. 26.—(AP)—Don Black is planning on going to Tucson, Ariz., for spring training with the Cleveland Indians.

"Maybe I won't make it all the way back, but if I can't stay in baseball as a player I'd like a job in it as manager or a scout," said the 35-year-old hurler, who is recuperating at home from effects of a brain hemorrhage.

Don came home Sunday after spending six weeks in the hospital. He didn't realize he had been so dangerously ill until last night.

"Joyce (his wife) had saved all the clippings for me," Don said. "Last night I went through them. The headlines on the day after my accident said I was 'critical.' One said I was near death. I never realized that."

Don doesn't remember anything about his injury, which developed when he swung viciously at a pitch in the second inning against the St. Louis Browns Sept. 13.

"I don't even recall getting the assignment to pitch that game," Don said. "Fact is, I can't remember anything since the last eastern trip I took."

Don has come back nearly all the way. Dr. Spencer Braden, the brain specialist, told him to expect memories to return in flashes, especially of his more recent experiences.

His greatest thrill was in Manager Lou Boudreau's remark after the playoff game against the Boston Red Sox: "We won it for Don Black."

Joe Louis To Box In Exhibition

Roanoke, Va., Oct. 26.—(AP)—Heavyweight Champion Joe Louis will come here next Monday for a four-round exhibition boxing match. Louis will fight Bob Garner, negro heavyweight from Louisville, Ky. The Louis-Garner fight will be the heavyweight feature of a card put on by Boxing, Inc., of Roanoke.

BRIDE, 14, WILL STAY HOME, BE HOUSEWIFE

Niagara Falls, N. Y., Oct. 26.—(AP)—A 14-year-old bride says she's "going to stay home and be a housewife."

The former Marlene Thompson, an eighth grader a week ago, and Martin Adams, Jr., 17, went to Atlanta and were married Saturday under a Georgia law which permitted their marriage with parents' consent. They returned here yesterday.

"We're as happy as can be," the bride said last night. "We had been planning to get married since last June. As soon as I turned 14 on Oct. 17 we made up our minds to go to Georgia. Daddy gave his consent in an affidavit and Martin's mother went down on the train with us."

Illinois Offense Meets Tough Test Against Michigan

Champaign, Ill., Oct. 26.—Illinois' newly-found offense meets the acid test Saturday when it runs up against the nation's No. 1 football team, Michigan, at Ann Arbor in the thirty-fourth game of a football rivalry which began in 1899.

The Wolverines, striving in Benjie Oosterbaan's first coaching year to match the Michigan powerhouse of 1947, have rolled over Michigan State, Oregon, Purdue, Northwestern, and Minnesota. They're the Western Conference's top offensive and defensive team, and heavy favorites to win their second straight Big Nine title.

Illinois, meanwhile, has come along gradually with each game, as the Illini broke in an inexperienced forward wall. The climax of this progress came Saturday, when Ray Eliot's club dumped favored Purdue, 10-6.

Gain Only 97 Yards
That victory was a signal one for the Illinois line. After stopping Minnesota's vaunted power attack the week before, the Illini limited Purdue to a net of 97 yards rushing and rolled up 292 yards on the ground themselves.

The advent of a dangerous running attack means Eliot will have a diversified offense to throw at Michigan. He'll have the passing of Bernie Krueger and Tommy Stewart, who between them have a 506 percentage with 40 completions in 79 passes. And he'll have a ground game which Saturday showed off the talents of Paul Patterson and Jack Pierce in full glory with the added efforts of Murney Lazier, Russ Steger, and Burt Schmidt for power thrusts.

The sprints of Patterson and Pierce were particularly cheering to Eliot. Patterson, enjoying one of his best days in three seasons, rolled up 104 yards in 18 tries, while Pierce added 56 for 10 carries. Illini plans for Michigan necessarily count heavily on that pair.

No Lineup Changes
Eliot is contemplating no changes in his battle alignment, and barring injuries in practice this week the Illini should be close to full strength against Michigan.

End Marshall Smith and Tackle Dick Mueller, sophomores who did not play Saturday, are expected to be ready. Smith's return will mean relief for Tony Klimke, outstanding Chicago sophomore who played the entire game at left end against Purdue.

Lou Levanti, standout center who has seen little action since injuring an ankle against Army, will be available for heavier duty against Michigan. The only casualty Saturday, Halfback Sam Piazza, is responding well to treatments for bruised ribs, and is likely to be back in action soon.

But even with those boys, the Illini will be distinct underdogs to the rampaging Wolverines who hadn't been scored upon in conference play until Minnesota tallied Saturday. The Wolves have replaced Bob Chappuis and Bumps Elliott with such threats as Charley Ortmann, Leo Koeski, and Wally Tennings, and boast a sensational receiver in Dick Rifenburg. All of which means the Illini defense will be in for a busy afternoon against Michigan's varied attack.

Pulled Upset In 1946
The last time Illinois invaded Ann Arbor was in 1946, and the tale leaves that year said the Illini wouldn't win. But Illinois did win, 13-9, on a 52-yard interception run-back by Sam Zatkoff and a 16-yard zig-zag scoring dash by Patterson.

Saturday's game will be Wolverine homecoming and will be played before a sellout throng of approximately 86,000 fans.

Neun Rehired By Yankees

New York, Oct. 26.—(AP)—Johnny Neun, former major league first baseman and manager in both the majors and minors, returned to New York Yankees today as a player contact man with the organization he served from 1932 through 1946.

In announcing the rehiring of Neun, who has managed both the Yankees and the Cincinnati Reds, the New York club said he also would do some "personalized scouting" within the major leagues.

A Yankee coach in 1944, 1945 and 1946, Neun stepped into the managerial post late in the 1946 season to replace Bill Dickey, who had taken over from Joe McCarthy only a short time earlier.

He went to the Reds as manager in 1947, being succeeded with the Yankees by Bucky Harris, but was replaced by Bucky Walters early in the 1948 season.

**Indiana Squad
Watches Movies**
Bloomington, Ind., Oct. 26.—(AP)—Indiana University gridmen took a look at pictures of their Pittsburgh defeat and devoted their entire drill today to their running game. With George Taliaferro absent for the second straight day because of an ankle injury, Halfback Del Russell came back to spark the backfield.

Team physicians still could give no assurance when the Bartkiewicz brothers—Joe, right end, and Walt, right guard—can return to the lineup.

Bartell Fired As K.C. Manager

Kansas City, Oct. 26.—(AP)—General Manager Lee McPhail of the Kansas City Blues entry in the American Association announced today that the contract of Dick Bartell, 1948 manager, would not be renewed.

The 1948 Kansas City club finished sixth in the final standings of the American Association.

McKeever Shakes Rocket Rooster

Chicago, Oct. 26.—(AP)—Coach Ed McKeever today asked waivers on four players in a shakeup of his last place Rockets of the All America football conference.

McKeever lopped from the roster Quarterback Sam Vacanti, formerly of Nebraska; Tackle Jim Brutz and Center Herb Coleman, both from Notre Dame; and rookie End Ike Owens of Illinois. All but Owens were with the Rockets last year.

NEW THREE-I MANAGER

Philadelphia, Oct. 26.—(AP)—The Philadelphia Phillies today announced the appointment of Leo Riley to manage the Terre Haute, Ind., team in the Three Eye league next season.

Twin Engines

Tandem halfbacks for Mississippi are the identical sophomore twins, James, left, and David Salley. They pass and punt, too.

By Charles Bellatti

Watch Danville, Decatur and Mattoon in the Big Twelve in the next few football seasons. All three of these prep powers now have grade school football programs equal to others in the big Illinois circuit.

Mattoon not only is reaping the harvest of a stellar grade school program and a fine junior high school team. The Green Wave high school team is guided by no less than six top-flight coaches.

Grade school football (and this isn't touch football, either) is coming into wider acceptance throughout the state. Why is it that Jacksonville can't even have a junior high school team?

We'd like to see the old grade school basketball series resumed, too. That series matched each of the four grade schools with the other fifth and sixth graders several times during the winter.

For years we've heard Jacksonville coaches being slammed by the fans. J. H. S. has had consistently good sports leadership. Take a look at the positions our ex-coaches now hold. The fault is not with coaching. It's with the entire Jacksonville sports setup. It's time to emphasize, not de-emphasize.

A letter from a White Hall fan points out a mistake in a recent Journal-Courier story. The October 22 newspaper stated that Jerseyville was unscathed upon until Winchester turned the trick. That, of course, is wrong. White Hall lost to the Panthers 33-13 the week preceding the second Winchester game.

The readers go on to remark about the large number of upsets this season. How well we know!

Baseball was still going strong when football began to make its drive for attention. Now, with the grid season seemingly just underway, basketball talk begins to flow. Several game teams in this area will have played several contests before Coach Al Miller's Illinois college Blueboys conclude their football slate.

Tagging right behind with 102 tallies is Ronnie Messer, 185 pound ball carrier for Polo's Marcos. Also nursing ambitions of attaining a perfect season record, Messer got three touchdowns and an extra marker in a 59-14 rout of Lanark. Teammate Johnny Clayton did even better in the game with four touchdowns, chalking up one on an 80 yard punt return.

Paul Hewitt, Farmington's regular fullback for four years, holds down third place in the scoring derby. His total went up to 96 points after making two touchdowns when the unbeaten Farmers notched their seventh straight, 32-0 over Eureka.

Both Hewitt and Rollins have two other players whose point totals are among the highest reported downstate are Wally Steffen of Roxana, 93, and Johnny Reno of Carbondale, 91.

Michigan Expects Normal Strength For Illinois U.

Ann Arbor, Mich., Oct. 26.—(AP)—Michigan's potent Wolverines, intent on retaining their current spot as the No. 1 football team of the nation, put on a brief but spirited scrimmage today as they tuned up for Illinois.

Several Wolverines nursed minor injuries, souvenirs of last week's struggle with Minnesota, but Michigan coaches and trainers alike said the squad would be at full strength for the Illini clash Saturday.

Center Bob Ertan of Akron, O., wore a face guard to protect a half dozen teeth loosened in the Gopher game, while Captain Don Tomasi of Flint, Mich., favored an ankle sprain. Gene Derricotte was hampered by a leg bruise while Chuck Lentz was handicapped by a knee injury.

Michigan Retains Rating As No. 1 College Eleven.

New York, Oct. 26.—(AP)—Michigan's rampaging Wolverines retained their rating as the top college football team in the country today in the weekly Associated Press poll of the nation's sports writers.

The powerhouse from Ann Arbor drew 117 of the 206 first place votes and piled up 1,885 points to beat out runner-up Notre Dame by 275 points. The Irish, second also a week ago, gained 19 first place votes and polled 1,615 points.

Michigan, unbeaten and united in five outings, downed Minnesota, 27-14 last Saturday while the Irish surged to a 27-12 victory over Iowa for their fifth straight conquest of a perfect season.

Stan Heath Eyes Passing Record Set In 1938

New York, Oct. 26.—(AP)—Having virtually lapsed his closest competitors, sharpshooting Stan Heath of Nevada is set to shatter a 10-year-old collegiate forward passing record before the arrival of November.

Heath continued his blistering pace among the nation's gridiron aerialists last Saturday when he completed 22 of 32 passes for 287 yards and four touchdowns in leading the Wolfpack to a 65-14 triumph over Tulsa.

That gave him a total gain of 1,318 yards on completed passes alone and placed him head and shoulders above all the other passers in the statistics announced today by the national college athletic bureau.

In five games—all of which Nevada has won to earn a place among the nation's 10 top teams—Heath has attempted 138 passes and completed 85 of them, 13 for touchdowns.

He now needs only 140 yards to break the national collegiate record for passing yardage in a single season, set at 1,457 by Dave O'Brien of Texas Christian in 1938 and tied by Wilson "Bud" Schwenk of Washington University at St. Louis in 1941.

Although Heath's early running plays this season have cost him a net loss of five yards, his total of 1,312, an average of 262.6 yards per game also give him commanding lead over all the others in gains from both running and passing.

Fred Wendt of Texas mines strengthened his position as the leading ball carrier, meanwhile, by picking up 204 yards against New Mexico to boost his total to 632 yards on 78 rushes in five games.

Monmouth Player Leads Downstate Grid Pointmakers

Springfield, Ill., Oct. 26.—(AP)—Three fullbacks are putting on a merry race for individual scoring honors on downstate high school gridirons.

Still out in front is Willie Rollins, who is keying Monmouth's unconquered zippers to their best season in 20 years. Rollins counted 13 points against East Moline in weekend competition, pushing his six game total to 107.

Tagging right behind with 102 tallies is Ronnie Messer, 185 pound ball carrier for Polo's Marcos. Also nursing ambitions of attaining a perfect season record, Messer got three touchdowns and an extra marker in a 59-14 rout of Lanark. Teammate Johnny Clayton did even better in the game with four touchdowns, chalking up one on an 80 yard punt return.

Paul Hewitt, Farmington's regular fullback for four years, holds down third place in the scoring derby. His total went up to 96 points after making two touchdowns when the unbeaten Farmers notched their seventh straight, 32-0 over Eureka.

Both Hewitt and Rollins have two other players whose point totals are among the highest reported downstate are Wally Steffen of Roxana, 93, and Johnny Reno of Carbondale, 91.

McKeever Shakes Rocket Rooster

Chicago, Oct. 26.—(AP)—Coach Ed McKeever today asked waivers on four players in a shakeup of his last place Rockets of the All America football conference.

McKeever lopped from the roster Quarterback Sam Vacanti, formerly of Nebraska; Tackle Jim Brutz and Center Herb Coleman, both from Notre Dame; and rookie End Ike Owens of Illinois. All but Owens were with the Rockets last year.

NEW THREE-I MANAGER

Philadelphia, Oct. 26.—(AP)—The Philadelphia Phillies today announced the appointment of Leo Riley to manage the Terre Haute, Ind., team in the Three Eye league next season.

BACK ON FIRST TEAM

Minneapolis, Oct. 26.—(AP)—The Minnesota Gophers ran through a brisk workout today and before it was over Coach Bernie Bierman had restored Guard Mike Kissell to the first team.

LIONS DROP HALFBACKS

Detroit, Oct. 26.—(AP)—The shift in player personnel continued in the Detroit Lions with announcement today that waivers have been asked on Elmer "Tippy" Madarik and Paul Sarringhaus, a pair of veteran halfbacks.

Michigan Halfback Is Top Offensive Threat In Big 9

Chicago, Oct. 26.—(AP)—Charles "Chuck" Ortmann, Michigan's 19-year-old sophomore halfback, today ranks as the No. 1 offensive threat in the Big Nine on the basis of three conference games he has played to date.

Also Good Runner
The 6-foot, 1-inch 183 pounder is the conference's No. 1 forward passer. He has completed 15 in 26 attempts for a 577 average and 288 yards gained. He also is the leader in "total offense," having gained 87 yards on 28 rushing plays to go with his 288 passing yards. This gives Ortmann a total of 375 yards on 54 plays for an average of 6.9 yards per play. His predecessor, Bob Chappuis, averaged 6.5 yards in 1947 when he was "total offense" king.

Ohio State's Jimmy Clark maintained his position as the conference's top rushing back. In Ohio's 34-32 defeat of Wisconsin, Clark carried the ball 16 times for 104 yards to give him a three game total of 31 carries for 186 yards, an average of six yards per carry. The busiest rusher in the conference is Purdue's Harry Szulborski, who has gained 274 yards in 76 carries for a 3.6 average.

Still Top Scorer
Leo Koeski of Michigan received one of Ortmann's aeriels against Minnesota for a touchdown to maintain first place in the scoring race with a total of 30 points.

While Michigan and Minnesota tossed a total of 56 passes at Minneapolis last Saturday, the Wolverines' Dick Rifenburg stamped himself as one of the Big Nine's great receivers. The fleet Michigan end caught four passes for 95 yards and one touchdown, giving him a lead with a total of eight catches for 209 yards and two touchdowns.

There currently are few punters averaging better than 40 yards. The quintet is topped by Ohio State's Fred Morrison, who, filling in for the injured Pete Perini, has kicked five times for a 42.0 average. Illinois' Dwight Eddleman has punted 23 times for 949 yards, an average of 41.3.

That gave him a total gain of 1,318 yards on completed passes alone and placed him head and shoulders above all the other passers in the statistics announced today by the national college athletic bureau.

In five games—all of which Nevada has won to earn a place among the nation's 10 top teams—Heath has attempted 138 passes and completed 85 of them, 13 for touchdowns.

He now needs only 140 yards to break the national collegiate record for passing yardage in a single season, set at 1,457 by Dave O'Brien of Texas Christian in 1938 and tied by Wilson "Bud" Schwenk of Washington University at St. Louis in 1941.

Although Heath's early running plays this season have cost him a net loss of five yards, his total of 1,312, an average of 262.6 yards per game also give him commanding lead over all the others in gains from both running and passing.

Fred Wendt of Texas mines strengthened his position as the leading ball carrier, meanwhile, by picking up 204 yards against New Mexico to boost his total to 632 yards on 78 rushes in five games.

Michigan Retains Rating As No. 1 College Eleven.

New York, Oct. 26.—(AP)—Michigan's rampaging Wolverines retained their rating as the top college football team in the country today in the weekly Associated Press poll of the nation's sports writers.

The powerhouse from Ann Arbor drew 117 of the 206 first place votes and piled up 1,885 points to beat out runner-up Notre Dame by 275 points. The Irish, second also a week ago, gained 19 first place votes and polled 1,615 points.

Michigan, unbeaten and united in five outings, downed Minnesota, 27-14 last Saturday while the Irish surged to a 27-12 victory over Iowa for their fifth straight conquest of a perfect season.

North Carolina's Tar Heels held on to third place, drawing 46 first place ballots and 1,568 points. The Irish, as they did a week ago, scored heavily in second place votes to beat out North Carolina's unbeaten squad for runner-up honors. Points are figured on the basis of 10 for a first place, nine for second and so on down the line to one for tenth place.

The point score with first place votes in parentheses:
1. Michigan (117).....1,885
2. Notre Dame (19).....1,615
3. North Carolina (46).....1,568
4. California (13).....1,239
5. Army (4).....1,234
6. Georgia Tech (1).....908
7. Pennsylvania.....386
8. Missouri (1).....386
9. Northwestern.....325
10. Nevada (3).....297
Second ten: 11-Southern Methodist 257; 12-Penn State (1) 176; 13-Clemson 125; 14-Oregon 82; 15-Minnesota 78; 16-Oklahoma (1) 64; 17-Michigan State 61; 18-Georgia 53; 19-Tulane 51; 20-Baylor 45.

Brennan May Miss Notre Dame Date With Middies

South Bend, Ind., Oct. 26.—(AP)—Left Halfback Terry Brennan was back on the doubtful list today as Notre Dame got down to hard work for its game with Navy Saturday.

He aggravated an old knee injury in the Iowa game last Saturday. The reports were better on the rest of the Irish casualties.

Left Guard Bill Fischer was back after one day in the infirmary with a cold. Left End Jim Martin missed practice because of a strained leg muscle but is expected to be ready by Saturday.

Mike Swistowicz, second string fullback, and John Frampton, reserve guard, worked out in sweat clothes and were given a chance to see action against Navy.

Open Verdict Is Returned In Death Of Circus Worker

Springfield, Mo., Oct. 26.—(AP)—A coroner's inquest failed yesterday to uncover any evidence on which to file charges in the mysterious death of a 19-year-old circus roustabout.

A woman performer and 10 men employees of Dailey Brothers Circus were released after the coroner's jury returned an open verdict in the death of William Pettit, Louisville, Ky.

County prosecutors Wayne T. Walker and Clyde Combs said there was "absolutely no evidence on which to file charges."

Pettit's battered body was found in a circus wagon Saturday after the show arrived here from Lamar, Mo. Dr. Murray C. Stone, who performed an autopsy, said the youth had been "stomped to death" and apparently was the victim of a fight.

If there is continued difficulty in starting your car, it may be due to an incorrectly adjusted choke control.

Blueboy Grid Outlook Grows Worse Each Day; Three Definitely Lost

Coaches Al Miller and Joe Brooks of Illinois college indicated yesterday afternoon that the Blueboys may change their mode of travel this weekend. Ambulances might transport the wretched gridders to Decatur if the situation isn't better by Saturday morning.

Things may not be as bad as all that. But they don't miss it far! Blueboy mentors report a staggering list of backfield casualties. The hurts aren't healing as rapidly as had been hoped.

Out For Victory
James Millikin university will definitely face a patched-up I. C. aggregation Saturday afternoon. But the Blueboys have the will (and, incidentally, the line) to blast the Big Blue homecoming spirit in the same manner that Wesleyan did here last weekend.

Getting back to that line, it might be said that I.C. probably has the strongest forward wall in the COI this season. That's the opinion of the Blueboys on the home town fans, it's the opinion of neutral observers who follow Little Nine activity.

Illinois college hopes for a Saturday victory rest with the line—which suffered only one casualty in the Titan conflict. Paul Lasley, who came out with a pulled ligament in one leg, probably isn't lost for the next test, however.

Five From Here
Five Jacksonville players were included in the starting line last week. All will be in the game Saturday, but George Florence, a gaurd, may shift into the backfield. If he does, Bill Mathews, Chicago candidate, will fill the hole. Jim and Sam Spink, tackles and co-captains, and Charlie Due, regular end, are other home town boys performing with Lasley in the line. Don Longer, Georgetown center, complete the outfit. There are adequate replacements, too—Gerald Lachinski, R. Christison, Paul Rust, Bob Brand and Bob Harshman, among others.

There is some talk on the hilltop campus about shifting Florence Harshman and Lasley into the backfield. But that appears much too difficult a feat to perform in the short space of four days.

Three Definitely Out
What, then, is the answer to I.C.'s backfield difficulties? Apparently the hilltoppers will do the best they can with what they have.

Of the nine backs listed in the homecoming program, Bob Grove, regular quarterback, Bob Scheller, second string quarterback, Ed Ryan, sub halfback, Bill Schroeder, sub halfback, and Art Williamson, sub halfback, seem to be in the best shape. Dave Billings, Joe Hill and Art Wilson are definitely lost. That's three of the first five backs. Bill Gross, a fourth member of the top quintet, is still a question mark.

The fullback position poses the greatest problem. If Gross doesn't come around, it's hard telling just who will fill the spot. Ryan worked there in scrimmage Tuesday, but he doesn't much fit the part.

Likely Starters
Likely starters for the game include the regular linemen, with the possible substitution of Mathews for the ailing Lasley, plus Grove, Williamson, Scheller and Gross.

Miller has had four pretty fair punters, and he's used them all during games. But now there is only one.

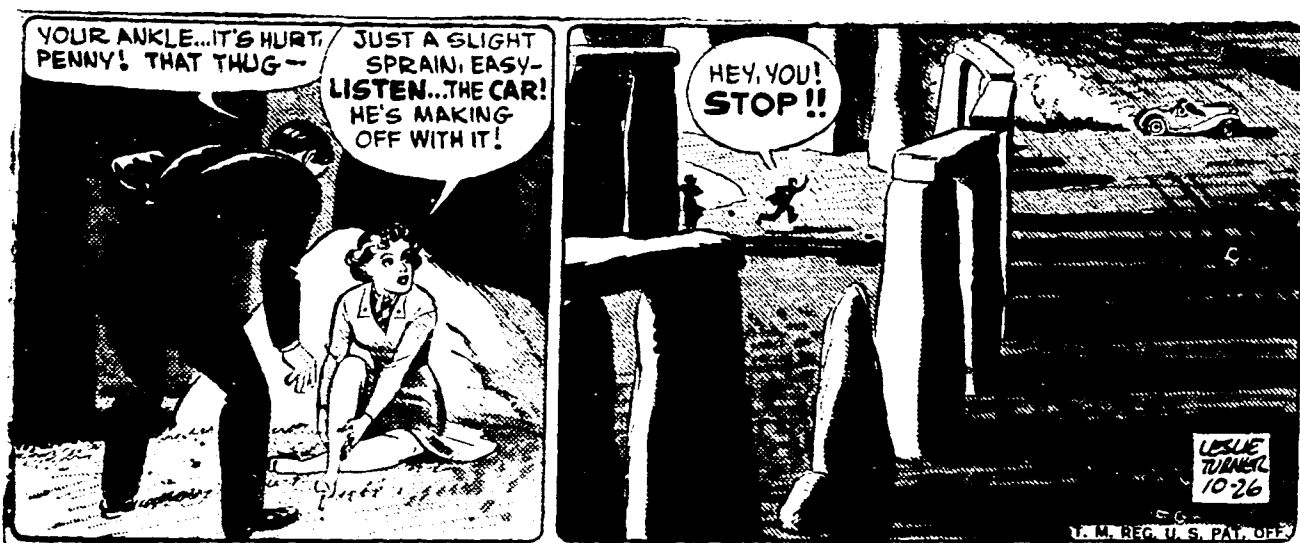

Likely starters for the game include the regular linemen, with the possible substitution of Mathews for the ailing Lasley, plus Grove, Williamson, Scheller and Gross.

The Loves of Carmen
By SOPHIE KERR
Copyright, 1948, NEA SERVICE, INC.

Serialization of screenplay from a novel by Prosper Merimee

XXVI

In Cordova, Carmen—even as Pablo said—was having a wonderful time. Her eyes were fever bright as she whirled in a wild dance. She danced in the main room of Lucas' house, a beautiful house, rich and luxurious. Her host sprawled on a couch, watching her. She danced with half a dozen young Spaniards, matadors, picadors and other friends of her host and she devised her dance to utilize all of her partners—going from one to the other, flitting, advancing, retreating—first with this one, then with that one. But all the time her attention was centered on Lucas as though she danced for him alone.

The music ended with a flourish and Carmen flung her wrists in a final clatter of castanets, then tossed herself in a graceful swirl of skirts and legs into Lucas' lap. She threw her arms around him and kissed him on the mouth.

In the cave Dancaire played cards with Pablo, who had pulled his bruised body together again. They both glanced up and then away as Don Jose entered. Jose's face looked ravaged by the strain of waiting for Carmen, wondering where she was and what she was doing. Pablo, still very sore from his beating, was pleased at the exhaustion in Don Jose's eyes.

Dancaire, nodding toward Pablo, said, "You shouldn't have kicked him. His nose is broken." Don Jose didn't reply.

He stood appraising the two men. They were filthy, unshaven, scratching at lice. Everything in him rebelled at his association with them. He hated them.

Dancaire studied his face shrewdly. "You don't like us, do you? We fill you with disgust." Don Jose walked away and leaned against a shelf in the wall.

"I went to the bull fight yesterday and saw a matador called Lucas. They say he has an embroidered cape that cost 3000 duros. Imagine that! A cape for 3000 duros. Almost as much as the reward for you."

As she moved closer to Don Jose he saw she was wearing a new dress. It was very elaborate and made of the best quality of silk.

"Where did you get that dress?" Carmen realized she had made a mistake. A glimmer of fear moved across her face. "That's my affair."

He struck her sharply across the face. "Where did you get that dress?"

Stung by the blow, she stared at him in sullen silence. He held her by the shoulders and shook her. "I'll kill you! As heaven is my witness, I'll kill you if you don't tell me."

He struck her again. She threw her arms around his neck, trying to stop him with her caresses. "Joseito," she panted. "Joseito." She kissed him frantically.

He twisted his face away from her. "Who is he? Where did you get it?"

Again she tried to kiss his face, his neck, crying wildly. "Look, Joseito, look how Carmen loves you!"

But his hands went to her throat. "I know you. I know what you are. Who is it now?" She struggled with him, terrified. Finally, she screamed.

Dancaire came out of the shadows and separated them. Carmen ran to the cave's entrance. She stopped a moment, threw one terrified glance back at Don Jose, then ran out into the darkness. Dancaire had to use all his strength to hold Jose as the sound of galloping hoofs drifted back to them.

Don Jose got away from Dancaire and went outside, panting, looking after Carmen, trying in vain to see which way she had gone. Dancaire blew a sigh of relief. "Well—I thought this was it! I'm beginning to believe in those cards myself."

Chest Drive Bolstered By Tuesday's Reports; 64% Of Fund Pledged

Substantial reports from all divisions were turned in at the Community Chest report luncheon Tuesday noon to swell the total to \$25,106.29. This is 64% of the total campaign goal which is \$39,000.

Murrayville Sailor Completes Studies At Radar School

Murrayville—James McKean, fire controlman, first class of the U. S. Navy, who has just finished a 14 month course at the radar school in Washington, D. C. has been visiting with his parents, Mr. and Mrs. Howard McKean, He left Monday to join his wife who is visiting in Utah.

Mr. and Mrs. Keldin Solomon of Jacksonville were the Tuesday evening supper guests of his parents, Mr. and Mrs. J. L. Solomon. The occasion was in honor of Miss Thelma Solomon's birthday anniversary.

Mrs. Emma Osborne is visiting her daughter and son-in-law, Mr. and Mrs. Iva Stony, of Jacksonville. Mr. and Mrs. Clifford Walker recently entertained a group of friends at a winter toast at their home. Those present included Mr. and Mrs. Clyde White and sons, Leonard and Jerry; Mrs. William White; Mr. and Mrs. George Pahlmann and sons, Clyde and Granville; Mr. and Mrs. George Summers and children, Barbara Jean, Dale and Carl Dean; Mr. and Mrs. Francis Langdon and sons, Bobby and Jackie; Jimmy Symons, Mr. and Mrs. Prentice Pevey and Mr. and Mrs. W. W. Walker.

Mrs. Dena J. Dohm, Greenfield, Dies; Services Thursday

Greenfield—Mrs. Jacob L. Dohm, 54, died at 2 o'clock Tuesday afternoon at her home here.

Dena Jeanette Dohm, a daughter of George Edward and Mary Jane Holmes Grizzle, was born eight miles east of Greenfield in Macoupin county on Aug. 24, 1894.

On Oct. 8, 1924 she was united in marriage to Jacob L. Dohm, who survives. She is also survived by her sister, Neva MacLennan of Carlinville; one step-son, Ardell Dohm of Quincy; and one nephew, John F. Grizzle, Portland, Ore.

Mrs. Dohm, who taught in several rural schools in Green and Macoupin counties, was a member of the Presbyterian church and of the Crescent society of the church. She sang in the church choir and taught Sunday school for many years.

The body was taken to the Shields Funeral Home where it will remain until the time of the funeral, which will be held Thursday afternoon at 2 o'clock in the Presbyterian church. The Rev. Earl Miller, former Presbyterian pastor here who is now pastor at the Presbyterian church at Mt. Vernon, Ill., will officiate. Interment will be in the Oakwood cemetery at Greenfield.

Pike Rites Today For Ada Walker

Milton—Mrs. Ada French Walker died at her home in Granite City last Sunday, according to word received by relatives here.

Funeral services will be held at the Christian Church in Milton at 2 p.m. Wednesday.

Mrs. Walker is a former resident of Milton and is a sister of Mrs. Otis Denison and Mrs. Lily Walk of Montezuma.

Social Events

Zeta Beta To Hold Birthday Social Nov. 22
At a meeting held at the Jar-Cee restaurant Monday night, members of Zeta Beta chapter, Beta Sigma Phi sorority, decided to hold their annual birthday banquet Nov. 22 at the Virginia Country club.

In the absence of the president, Miss Wanda Dobbs, the meeting was presided over by the vice president, Mrs. Joseph Berschneider.

Mrs. Robert Roach presented a birthday gift from the chapter to Mrs. Frank McCarthy, educational director. The attendance prize was won by Mrs. Bill Fanning. Mrs. Richard McGinnis, program chairman, distributed the new program books for the year.

The program for the evening, under the direction of Mrs. Frank McCarthy, included a talk on "The Body Beautiful" by Miss Barbara Moss and "Painting the Picture" by Mrs. Robert Shannon.

The next meeting will be held Nov. 3 at the home of Mrs. Fred Hapke, 508 West State street.

Mrs. William Shafer of Champaign was a guest.

Republican Club Of Scott County Hears Speakers

Winchester—The Scott County Republican club met Monday evening at the American Legion home.

A large crowd gathered to hear the main address delivered by S. Phil Hutchinson, Springfield lawyer. He was introduced by Judge L. Allan Watt.

A business meeting was presided over by Mrs. Vern Smith, president. Mrs. Thessell Bossarte, county chairman of Women's Republican committee club of Morgan county and delegate to the national convention held in Minneapolis, Minn., gave an interesting report on the convention.

Refreshments were served.

CROP Committee For 1948 Drive Named In Scott

Arnold P. Benson, state director of agriculture and chairman of the Christian Rural Overseas Program, has announced the following people as the officers of the C.R.O.P. of Scott county: secretary, Mrs. Lillian Meier of Bluffs; executive committee, Royal Oakes and James Beard of Bluffs; the Rev. G. E. Presley of Manchester; The Rev. Luther Sullivan, Duke Bugg, Mrs. Olin Clark, Mrs. Orin Robertson, Fritz Haskell, P. M. Fulmer, the Rev. Ralph E. Jasper, all of Winchester; Clifford Lewis of Glasgow; and Mrs. Norman Englebrecht of Naples.

The Rev. Kenneth R. Douglas will serve as county convener.

H. B. Corrie, named chairman of the group, has declined the position. His successor will be named soon.

The Abraham Lincoln Relief Food train carrying 300 carloads of goods to the hunger-stricken of Europe and Asia will leave the state Dec. 15. The deadline for contributions, however, is Dec. 2. The Illinois campaign is part of an intensive drive through 37 states to help the needy and helpless of war-torn countries and is concentrating on corn, soybeans, pork and dairy products.

Parent agencies of the organization are the Catholic Rural Life, the Christian World Service and the Lutheran World Relief.

Jerseyville School Faculty Members Are Entertained

Jerseyville—Mr. and Mrs. Gus P. Roth entertained faculty members of the Jerseyville Community high school and a few friends at a barbecue supper at their home on West Pearl street. Cards were the diversion of the evening and favor: were awarded Mrs. J. R. Miskell and Robert Erwin.

Present for the occasion were Raymond J. Bersche, Miss Nellie P. Brown, Miss Winifred Cook, Miss Emma Lee Frost, Mrs. Hildreth Edwards, Mr. and Mrs. Robert Erwin, Mr. and Mrs. Warren Greene, Mr. and Mrs. Louis Heider, Mr. and Mrs. E. H. Hartz, Jr., Mrs. August Hackett, Mrs. Jack Leck, Mrs. Anna Marie Malik, Mr. and Mrs. Ray Searies, Mr. and Mrs. Clarence Schmidt, Mr. and Mrs. Claude Smith, Mrs. Vernon Woodman, Miss Rosalie Schepers, Miss Mabel Vance, L. N. Wilson, Dr. and Mrs. J. R. Miskell and Mr. and Mrs. W. P. Sullivan.

Waverly Soldier Expected To Leave For England Soon

Waverly—Pfc. Nelson Brown, who re-enlisted in the army air corps last March, and was sent to the Smoky Hill Air Field Base at Salina, Kansas, has completed his course in aviation mechanics on B 29's. He is in the 2nd squadron, and wrote that his squadron leaves the early part of November for England, for a period of 90 days, and while there he will attend gunnery school for six weeks.

The crew of which Nelson is a member made trips to Fort Worth, Texas, and Chicago, during the past week or so, and before leaving the air base, had their wings pinned on by the A. C. of their ship.

Gerald Ryan, Navy veteran of the war, who received his discharge in March, 1946, re-enlisted in September and reported in Chicago on September 23, being sent the next day to San Diego. He sailed October 21 for Guam, where he expects to be stationed for 18 months. He received his discharge as a Seaman 1st class and re-enlisted with the same rating. He enlistment is for three years.

ARENZVILLE GRADE SCHOOL PUPILS TO PRESENT PARADE

Pupils of the first and second grades of the Arenzville Grade school are planning a Halloween masquerade parade, to be staged Friday afternoon. The group will leave the school at 1:45 p. m. and will march through the downtown district. Parents and friends are cordially invited to attend.

RETURNS FROM HOSPITAL
Myron Faugust, who has been a patient at St. Luke's hospital in St. Louis for the past several weeks, has returned to the home of his parents, Mr. and Mrs. G. A. Faugust, 536 South Clay avenue.

ATTENTION

If you have trouble picking corn get your rollers spotted. Call 0430 Alexander, W. S. Ridder.

TO SPEAK HERE

Mrs. Emily Taft Douglas, former Illinois Congresswoman, will speak in behalf of the candidacy of her husband at an open meeting to be held at 7:30 p.m. tonight at the courthouse.

Mr. Douglas is the Democratic candidate for U. S. Senator.

Mrs. VanWinkle Of Waverly Observes 98th Anniversary

Waverly—Mrs. Augusta VanWinkle celebrated her 98th birthday anniversary Saturday. She enjoyed having her friends call during the day, and also received many cards of congratulation and gifts. She and her daughter Mrs. H. E. Funk, and Miss Eunice VanWinkle, had as their guests that day Mrs. Arthur VanWinkle, and Miss Maude VanWinkle, of Franklin.

Waverly Chapter, Order of the Eastern Star will hold initiation Thursday night, October 28, at 7:30 o'clock. All members are invited to attend.

Mrs. Olin Huston will be hostess to the literary department of the Woman's club on October 27, at 3:00 p.m. The program will be as follows: An Afternoon with Romberg; His life—Mrs. Winifred Strawn; Story of the Opera—Mrs. Allen Burns; Music—Mrs. W. A. Doolin, Mrs. Olin Huston, Mrs. E. H. Wiese.

Hold Dedication For New Church At Ashland Sunday

The new Church of God building in Ashland was dedicated Sunday afternoon at 2:30 o'clock. The Rev. O. G. McClure of Lafayette, Ind., was the speaker. A special dedication program was presented. The new church is on Route 123, located across from the James Park.

The day's program started with Sunday school at 9:45 a. m. and the regular worship service at 10:45 o'clock. Special music was provided by the choir, under the direction of Mrs. A. J. Wood, of Springfield. A basket dinner was served at one o'clock in the basement of the church.

A series of evangelistic meetings opened Sunday at 7:30 p.m., and will continue for two weeks, with Rev. McClure as the speaker. Musical numbers and songspiration will be included each evening. Preceding services there will be prayers for special requests and healing of the sick in the prayer room provided by the Woman's society of the church.

The Church of God congregation, which has been holding services in a chapel adjoining the parsonage, was established in this city on Dec. 5, 1941. It was organized as an outgrowth of house to house prayer meetings conducted by Rev. and Mrs. A. J. Wood, beginning in 1937; while Rev. Wood was pastor of the Church of God in Springfield. He was the first pastor of the Ashland congregation, and when he resigned in May, 1944, the church accepted his son, Rev. Gordon E. Woods as pastor.

A children's hour, conducted by Mrs. Connie King, is held at 6:30 p.m. every Sunday, and the Youth Fellowship hour is directed by Mrs. A. J. Wood.

M. Brooks Byus Is Candidate For States Attorney

A basket dinner honoring L. O. McKinley on his 72nd birthday anniversary was given at the home of Mr. and Mrs. Elbert Draughan, rural route one, Franklin.

Washington Pupils Awarded Health Certificates

Health certificates were awarded Tuesday to the 39 first and fifth grade students of the Washington school who passed the health examinations given at the school last spring.

The mothers of students were invited to attend the program which also included health songs by the first grade; a skit, "City Dog Goes to the Farm," by the third grade; a march and song by the traffic squad; a safety skit presented by the fifth grade students; the inspection of a bicycle by Inspector John Conant; the presentation of original safety rhymes written by the fifth grade students and the reading of safety rules by Bob Willard. The program was announced by Bill Crawford.

The 19 first grade students receiving certificates are Phyllis Mae Black, Robert Bond, Ronald Carlson, Patricia Ann Crawford, Helen Kathleen Curtis, Edward Elliott, Linda Kay Hamilton, Mary Hayes, Elizabeth Ann Heidinger, Darryl Lee Johnson, Gerald Lee Mitchell, Mary Ann Mosley, Patricia Ann Murphy, Frederick Pigott, Robert Riemann, Jim Richard, Robert Frederick Schinner, James Arthur Spatz and Jack Wheeler.

Included among the 20 fifth graders who received certificates are John Conant, Betsy Englebach, Twyla Marie Hamer, Hannah Lou Haneline, Sharon Lynne Haywood, Gretchen Hildman, Ralph Hisle, Lloyd Jordan, Mary Lee McClintock, Frances Mounts, Kay Otto, Larry Pontius, Francis Robson, Sheryl Savage, Donald M. Stewart, Dora K. Stewart, Sherwin Walker, Linda K. Watt, Robert Willard and Jean Woolverton.

Winchester P.T.A. To Meet Thursday

Winchester—The Winchester P.T.A. will meet at 8 p.m. Thursday at the grade school.

The program is in charge of the Girl Scouts and their leaders Jean Nelson and Barbara Tankersley. They will present a program recognizing National Girl Scout week.

Mrs. Charles Barnard, health and roundup chairman will give a report on the roundup held last April. Refreshments will be in charge of the seventh grade mothers with Mrs. Ray Campbell, room mother, chairman.

Dental Society Appoints 3-Man Advisory Board

The members of the Morgan County Dental Society were guests Friday night of Dr. J. Walton Dace and Dr. W. E. Harper of Winchester at the home of Dr. Dace.

Dr. Ray Blanchard of Springfield gave a clinic on dental prosthesis and Fred Deatherage, superintendent of the Morgan county department of public assistance, discussed problems involving his department and the local dentists.

A board of three dentists, Doctors Bradley, Corey and Tempin, was appointed to work with the department.

Dentists present at the meeting were: R. P. Templin, president; Charles Hopper, H. N. Knight, F. Angel, M. Summers, H. Corey, R. Bradley, S. Weller, J. A. Biggs, G. Sturm and J. Bunch of Jacksonville; K. S. Goff, Bushnell, R. Griebler of Meredosia; W. C. Harper of Chandler; and J. Dace, W. E. Harper and Millstead of Winchester.

Literberry Women Vote To Support Community Chest

The Literberry Woman's club meeting which was held recently at the home of Mrs. Frank Ogle, opened with the singing of "The Star Spangled Banner," led by Mrs. Carmine McGinnis. Mrs. Freda Mallicoat led the pledge of allegiance to the flag and roll call was answered by naming a favorite cooking utensil. The club members voted to donate to the Community Chest fund.

Mrs. Esther Petefish, program chairman, gave a talk on kitchen modernizing. She also analyzed charts of modern kitchens, much to the appreciation of the members and guests present. Mrs. Emma Parry and Miss Lora Petefish read some interesting articles in regard to kitchen modernizing.

Mrs. Lela Daniels acted as recreation chairman and a contest was won by Miss Lora Petefish. Refreshments were served by the hostess. The November meeting will be held at Hamilton's cafe at 2 o'clock with Mrs. Frank Dinwiddie as hostess.

The next meeting will be held Nov. 11 with Mrs. Lela Roberts.

E. J. Christopher Named To Peoria Burlington Post

The E. J. Christopher, who has been passenger and freight agent at Beardstown for the Chicago, Burlington & Quincy railroad has been promoted to local freight agent at Peoria, according to announcement made by officials of the railroad Tuesday.

Mr. Christopher will assume his new duties on Nov. 1. He started his railroad career with the Burlington at Girard, and came to Jacksonville in 1913, where he was stationed in the local passenger station for 25 years.

Mr. Christopher was also agent at Waverly and Chapin.

He is well known in this city having played baseball with several independent teams while a resident here.

Mrs. Christopher was for many years employed in the chief clerk's office at the Jacksonville State Hospital.

L. O. McKinley FETED AT DINNER ON 72ND BIRTHDAY

A basket dinner honoring L. O. McKinley on his 72nd birthday anniversary was given at the home of Mr. and Mrs. Elbert Draughan, rural route one, Franklin.

Those present were Mr. and Mrs. L. E. McKinley and daughter, Susan Ann, of Mulvane, Kan.; and Mrs. R. G. Pierce and daughter, Eloise, of Dexter, Kan.; Mr. and Mrs. Vernon McKinley and daughters, Melba, Betty and Bernice, of Chapin; Mr. and Mrs. Elbert Draughan and family, Waldo Richard, also of Franklin; Mr. and Mrs. Edward Lashbrook and children, Joyce, Billy, Carol, Allen and Charles of Arenzville; Mr. and Mrs. Donald Cooper and daughter, Patricia Diana, Jacksonville; Mr. and Mrs. Stanley Draughan of Ashland; Mr. and Mrs. T. R. Miner and daughter, Carolyn Sue, of Franklin; Betty Carpenter of Virginia; and Bill Surratt of Chapin.

Sirens For Starlings; To Try Again Tonight

Another approach to the problem of informing the Central Park starlings that they aren't welcome in Jacksonville was activated at 7 p.m. Tuesday. This time the shrieking sirens of two fire trucks and the sweeping glare of four spotlights were used to startle the starlings from their roosting spots.

The experiment apparently worked pretty well. At any rate, thousands of the feathered pests churned the air while they screaming their protests to what the probably termed "human treatment." They had even more to say on this subject when the firemen used a hose to drench the lofty elms.

The performance will be repeated Wednesday evening, about an hour and a half earlier, Alderman L. Allen Kelly said.

"We'll try it again at about 5:15 p.m., just as they're coming in for the night. Anybody with a spotlight on his car could come in then and give us a lift."

If the demonstration startled the birds, it did almost as much for the citizens of Jacksonville. Many of them jumped in their cars and came to the square, confident that the town was burning down, or something. The Journal Courier switchboard practically jumped off the floor, with all lines inquiring "Where's the fire?" or "What's it all about?"

A suggestion for the experiment came from Glen S. Heidinger, who had observed that the starlings came off their perches first whenever a fire truck belled around the north section of the park.

Other callers in the afternoon included Mr. and Mrs. Jesse Sherwin, Mr. and Mrs. Arthur Schafer, Mrs. Lucy Peak and Mr. and Mrs. Earl Peak.

Mr. and Mrs. H. C. Schafer and sons will return Thursday to California.

Mothers Of Girl Scouts Honored At Dinner Sunday

Members of Girl Scout Troop 32 entertained their mothers Sunday evening at a potluck supper in the basement of State Street Presbyterian church.

Mrs. Julia Copenhaver, Mary Day and Gloria Suh, troop leader and assistant troop leaders, acted as hostesses.

The committee in charge was comprised of Carol Crawford, Sue Ann Hackett, and Elizabeth Agger decorations; Deborah Stratton, Marjorie Neuman, Alice Mary Crabtree and Virginia Cannon, table arrangements; Donna Woolridge, Frances Marshall, Sally Mohler and Patricia Garlich, clean-up.

The troop is planning an outing for Nov. 6.

Political Debate To Be Heard By MacMurray Girls

Members of the class in American government at MacMurray College are sponsoring a political rally to be held on the campus Wednesday, Oct. 27, at 7 p. m.

The rally will begin with a torchlight parade in front of Ann Rutledge Hall, after which the students will march under Republican or Democratic banners, according to their choice, into the Hall where they will hear a debate, "Resolved: That the best interests of all the people will be served by a Republican victory on November 2."

H. H. Bancroft, Jacksonville representative for the Chicago Tribune, and Miss Marianne Martin, sophomore, will argue the affirmative side of the debate. Attorney Harry G. Story, and Miss Catherine Lockridge, senior, who will uphold the negative.

The effort to focus interest on the coming elections will include party headquarters set up in two dormitories, at which students will have a chance to register their party affiliations.

The effort to focus interest on the coming elections will include party headquarters set up in two dormitories, at which students will have a chance to register their party affiliations.

Winchester—Mrs. Ethel W. Killebrew and son, Howard, entertained Sunday in honor of Mr. and Mrs. H. C. Schafer and sons, Charles and James, of California. A dinner was served at noon to a group of relatives and friends.

Those present for the occasion were: Mr. and Mrs. William Killebrew and son, Glenn, Mr. and Mrs. Lily Shultz, Peoria; Mr. and Mrs. Elmer Pries and family, Chicago; Mr. and Mrs. George DeWitt and family, Nitanic; Mr. and Mrs. James Lake and son, Jacksonville; Mr. and Mrs. Dean Dyer, White Hall; Mr. and Mrs. Elva Benton, Hillview; Mr. and Mrs. Lloyd Ford, White Hall; Mr. and Mrs. Charles Killebrew, Mr. and Mrs. Dale Killebrew, Mr. and Mrs. Stuart Lloyd and family, Pittsfield; Mr. and Mrs. Sam Killebrew and son, Sammy Killebrew and son, Bobby, Winchester.

Other callers in the afternoon included Mr. and Mrs. Jesse Sherwin, Mr. and Mrs. Arthur Schafer, Mrs. Lucy Peak and Mr. and Mrs. Earl Peak.

Mr. and Mrs. H. C. Schafer and sons will return Thursday to California.

Mr. and Mrs. Ralph Peak and son, Samuel; Mrs. Audrey Lashmet and sons, Pat and Don, Edwin Evans, Wayne Kihler, Bill Stuart, Morris Selway and Dr. Paul Garrison attended the homecoming in Normal Saturday. Mr. and Mrs. Peak and Mrs. Lashmet visited their sons, George Peak and Jones Lashmet.

Mr. and Mrs. Robert Worrell recently returned from a vacation trip through parts of Missouri, Arkansas, Mississippi, Alabama, Georgia, Tennessee, Kentucky and Indiana.

Mr. and Mrs. Sam Killebrew and sons entertained Saturday evening at their home in honor of Mr. and Mrs. Henry Schafer and sons of San Diego, Calif. Other callers during the evening were Mr. and Mrs. George Walk of Montezuma and Mrs. Ethel Killebrew and son, Howard.

Mrs. Pearl Rutherford and Mrs. Bianche Allen left Monday for Manhattan Beach and Salinas, Calif. The Kum Dubble class of the Winchester Methodist church met Monday evening at the home of Mr. and Mrs. Russell Hornbeck.

A winter roast was held after which the group all went on a hayride.

The News Community club will meet Friday evening at 8:00 p.m. at the school house.

Mr. and Mrs. Albert Sellars and Mr. and Mrs. Haley Gauges are in charge of the program.

Refreshments will be pie and hot chocolate. Mrs. Gertrude O'Donnell and Mrs. Amelia Baird will be in charge.

Bibles Of Many Types, Languages On Display Here

In honor of National Bible Week, the Pfeiffer Memorial Library of MacMurray College has on display some very interesting Bibles. Miss Laura Roehning, new MacMurray librarian, arranged the display.

One showcase contains Bibles from the collection of Dr. Wallace Stearns, former head of the department of religion. These Bibles are over-size, averaging 12 by 20 inches, and are 3 to 4 inches thick. A Polyglot Bible, published in 1608 in six volumes, contains the scriptures in eight ancient languages. A reprint of the Codex Bezae, a manuscript copied by monks in monasteries before printing was invented, is on display. The Thesaurus Ecclesiasticus, published in 1728, and another Biblical dictionary written in seven languages are part of the exhibit. There are two New Testaments in Greek, one published in 1734 and the other in 1736, and the Epistles of Paul, 1604, and another New Testament written in Latin.

The other case contains Bibles in various modern languages and different English versions. There are Bibles in modern Greek, Portuguese, Italian, German, French, Spanish, Hebrew, Dutch and Belgian. English versions include the Goodspeed, published in 1831, written in prose; the Modern Reader's Edition, published in 1907, done in simplified English for the layman; and the Scottish Version, 1909, which is similar to the King James.

I wish to thank my friends and relatives for the cards, letters and flowers received during my recent stay at St. Luke's hospital in St. Louis.

Myron Faugust
